# THE GRAND KNIGHT

Brother Knights,

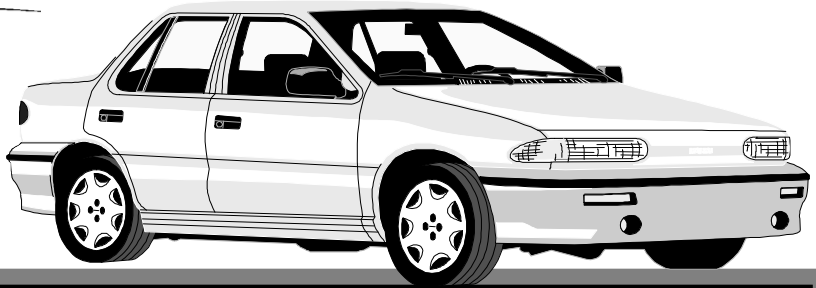

Our council is the best. We have so far had very successful Friday Fish Fry's. With the continued help the last will be as successful. You have turned out in record numbers to help with the Fish Fry's, setting up, cooking, serving and cleanup. It is nice to see all the brothers participating. *It would be nice if more of the newly first degree brothers would come and see what the Fish Fry's are all about.* It is not just the helping with everything, but the bonding with other Brother Knights, especially those Knights that have been active for so long. There is a lot of history in our fraternal order. Come and see what you can do to help our council.

A lot of you have been doing well in selling the Raffle tickets. Ray Richmond has sold over \$300.00 worth of tickets, can any of you top that? We need the full cooperation of all of you in selling the raffle tickets. If we all participate in the raffle, we can succeed.

Thank you again for all the help.

Viva Jesus!

Virgil Smith GK

# **COUNCIL CHAPLAIN'S CORNER**

## **Some Interesting points on why we believe**

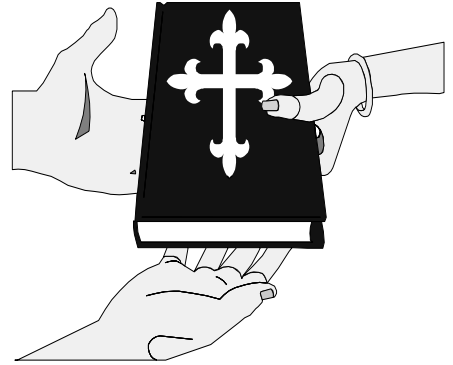

1. A Public Execution Assured us of His Death: After being humiliated, insulted, spat upon, whipped, beaten and then hung on a cross His executioners claimed victory by declaring Him dead. Just to be sure they thrust a spear into His side.
2. A High Official Secured The Gravesite: Pilate ordered the official seal of Rome to be attached to the tomb. To enforce the order soldiers stood guard. The Roman guards knew the penalty of falling asleep while on watch would be death.
3. In Spite Of the Guards the Tomb Was Found Empty: On the morning after the Sabbath the huge stone had been rolled away and the body of Jesus was gone. The guards swore they had fainted after seeing a supernatural being. They were paid to keep this quiet and instead say the disciples had stolen the body.
4. He Was Seen Alive By Many: I Corinthians 15:5-8 tells us that He was seen by Peter and the twelve apostles. More than 500 other people saw Him over a period of 40 days including Paul and James. Acts 1:3 He was here for 40 days speaking to the apostles about the Kingdom of God.
5. Jewish Believers Changed Their Day Of Worship: The Sabbath day was basic to the Jewish way of life. If you didn't honor the Sabbath you were guilty of breaking the Law of Moses. Yet Jewish followers of Christ changed their day of worship to the same day as the Gentiles. The first day of the week, the day they believed Christ rose from the dead.
6. Although It Was Unexpected It Was Clearly Predicted: The disciples were caught off guard. They expected their Messiah to restore the kingdom to Israel. They overlooked the prophet Isaiah's prediction of a suffering servant who would bear the sins of Israel, being led like a lamb to the slaughter, before God prolonged His days. Isaiah: 53-10
7. His Apostles Were Dramatically Changed: After Judas one of Christ's apostles had betrayed Him the other apostles ran for their lives. Even Peter who earlier had insisted that he was ready to die for his teacher, lost heart and denied that he ever knew Jesus. But after the resurrection the apostles went through a dramatic change. Within a few weeks they were willing to stand up to the ones who had crucified Christ. They became unstoppable in their determination to sacrifice everything for the one they called Savior and Lord. They were imprisoned, beaten and in Acts 5:29 told the Jewish leaders "we will obey God rather than men."

**A MESSAGE FROM YOUR.....**

## **Deputy Grand Knight & program Director**

Brother Knights,

I wish all my Brother Knights and their love ones a “Blessed and Happy Easter”.

I want to extend my heartfelt thank you for all of your help during our Lenten Fish Fry and support in selling Raffle Tickets for our fundraising.

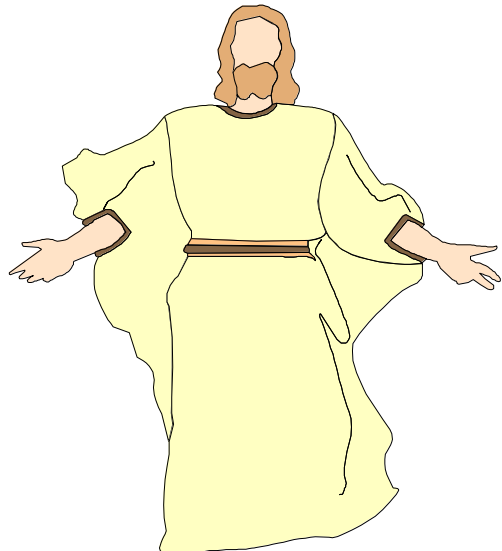

April 13 (Thursday) is the Monthly 24 hour Adoration at the church. I encourage you to spend at least one hour of quiet conversation with our Lord Jesus Christ.

Continue recruiting new members to our Council. Always carry a Form 100 with you, fold it up and put it in your wallet. Help our Council grow, you don’t need to wait for our recruitment day to invite new members. Every day is a recruitment day.

God Bless Us All,

*Rolly Anewz*

Deputy Grand Knight & Program Director

### **Did You Know?**

Since 1973, more than 56 million preborn babies have been destroyed due to the legalization of abortion in the United States. That's more people than the entire population of Spain.

Given the current abortion rate, 1 baby is aborted every 30 seconds and 120 babies are aborted every hour. That means that by the time you finish reading this anti-abortion article dozens more preborn babies will be lost. And that's just in the United States. The volume of death represented by abortion is staggering.

Abortion is killing on a genocidal scale.

### **Abortion Kills Mothers**

The procedure of abortion is highly unregulated compared with other invasive medical procedures. The Centers for Disease Control and Prevention reports [[http://www.cdc.gov/mmwr/preview/mmwrhtml/ss6311a1.htm?s\\_cid=ss6311a1\\_w](http://www.cdc.gov/mmwr/preview/mmwrhtml/ss6311a1.htm?s_cid=ss6311a1_w)] that from 1973 to 2010 over 400 women who underwent legal abortions in the U.S. were killed by the procedure. You may read our abortion articles to learn more.

Dr. Janet Daling and her colleagues conducted a study funded by the National Cancer Institute to explore the connection between abortion and breast cancer. They found [<http://www.aaplog.org/position-and-papers/partial-birth-abortion/aaplog-statement-on-the-association-of-induced-abortion-and-the-subsequent-development-of-breast-cancer/>] that a woman's risk of developing breast cancer was 50% higher if she had had an abortion. If a woman had had an abortion in her teenage years, then the risk was 100% higher. Get more details on the abortion-breast cancer link from our articles on abortion.

Clearly, if the number of women who have lost their lives to breast cancer that developed as a consequence of a past abortion were included among maternal deaths owing to legal abortion, the death toll for mothers who choose to terminate their pregnancies would be much higher.

**BACK TO SCHOOL**

`Now that the season of Easter is upon us, I would like to share some ABCs sent to me by Brother Knight Denis Weber who started our Ave Maria Vehicle Donation Program. This return to school is for all of us students of Jesus Christ from none other than one of our favorite nuns and teachers, St. Mother Teresa.

Always have the courage to say sorry.  
Be kind, be compassionate.  
Control your judgments.  
Don't let yourself get discouraged.  
Every minute is precious-don't waste your time.  
Find out what is nice in each other.  
Give until it hurts.  
Have deep respect for each other.  
If you really want to love God, love one another.  
Just do small things with great love.  
Keep your heart clean.  
Learn to pray, love to pray, and pray often.  
Make time for each other in your family.  
Never tell lies.  
Only believe-you are precious to Him (God).  
Put love in whatever you do.  
Quite a lot of people have forgotten what love is...so begin to give the joy of loving.  
Refrain from prejudice.  
Smile at each other.  
Take the trouble to listen.  
Use your talents for the glory of God.  
Very often, we look but we don't see. Let us look AND see.  
When humiliation comes, accept it and offer it.  
eXcuse rather than accuse.  
You must learn to forgive.  
Zeal is a second name for love. Do not lose that zeal!

Yours in Christ

**INFORMATION ON MEMBERSHIP FROM YOUR .....**

# Membership Director

Greetings gentlemen,

We are scheduled to commence our spring membership drive shortly after the end of Lent. We are currently looking at putting together a video that includes slides of photos taken from past years. If there are any photos that you have and would like to have included, please forward to me as soon as possible.

Those of you that are active in our parish in different organizations, please kindly reach out to parishioners and inform them that we are always looking for new members and would love to have them. You can always refer them to me. I am always happy to discuss the requirements and benefits of membership with the Knights of Columbus.

### *The Pitfalls of Replacing Coverage*

You know the old saying, “the grass seems greener on the other side of the fence,” but we all know that it rarely is. The same holds true when it comes to replacing your existing Knights of Columbus life insurance with coverage offered by another company. Perceptions are deceiving. A move to the “greener” grass on the other side of the fence might seem like a good one, but it can leave you with less *green* in your wallet — in some cases, a lot less. That’s why it pays to remember another old adage, “Read the fine print.”

There are many reasons to keep your existing coverage in force, whether that coverage is with the Knights of Columbus or with another company. I’ll focus on the potential pitfalls of replacing coverage here — pitfalls that an agent trying to convince you that the grass actually is greener might neglect to mention.

First, all life insurance contracts contain a *contestability period*, which allows the insurer to contest claims made for a period — typically two years — after the contract is issued. Chances are this is no longer an issue with your current coverage.

Second, it’s unlikely that you can obtain the same amount of coverage, for the same premium, that you were able to obtain with your existing contract. The two factors that determine how much you’ll need to pay for life insurance coverage are age and health. Certainly, you’re older now than you were when you took out your current coverage. There’s no way around that. And you have to ask yourself, has your health changed during that time? Is your blood pressure the same? Your cholesterol? Have you gained weight? All these factors can affect the amount of coverage you’ll get for your premium dollar.

If someone encourages you to replace — or worse, drop — your existing coverage, please call me. I’ll show you how your existing coverage is working for you and why replacement is rarely in your best interest.
