THE GRAND KNIGHT

Dear Brothers,

I hope everyone had a safe and memorable 4th of July with families and loved ones.

We need to be constantly reminded of the wonderful individual and Religious freedoms we enjoy in our great Nation and our obligation to continue sharing these freedoms with all our brothers at all times. We also need to be constantly vigilant in our responsibilities to pass on to the next generations all the benefits we were given by our Lord and our American predecessors who fought so hard for these rights. Remember those who have served and especially honor those who paid the ultimate sacrifice.

Our Columbian year started off with a very nice Installation of Officers on July 14th and we appreciate those who were able to attend and make it go smoothly. It looks like an exciting year.

For all those who are traveling this summer, and those who will have out-of-area visitors, we send our best wishes and prayers for safe travels to all.

God Bless You All.

PRO-LIFE NOTES

Dear Brother Knights

As your Pro-Life Chairman I include articles for this publication pertaining to the issue of abortion. I would like you to know that it is not my only duty of this office. I also plan and head up trips to abortion site's in Long Beach and Orange.

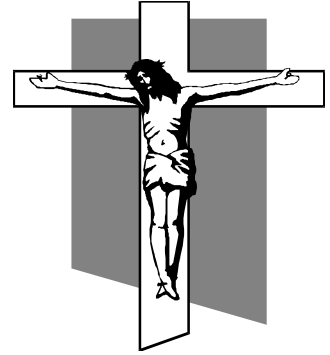

Wednesday's and Friday's we meet in the St. Peter Chanel church parking lot to head out to the site. Those trips are organized by George Kubeck 714-952-8886. Other days trips during the week are organized by myself 714-827-2214 or Ray Richmond 714-827-4206.

I would like to invite you to join us on some of our trips, we only spend about an hour at the site's. Give us a call.

Thomas Nagle PGK
Pro Life Chairman

COUNCIL CHAPLAIN'S CORNER

“Behold I Make All Things New”

We grow up being told things like “Don’t worry it won’t hurt forever” or “you may feel bad now but you will get over it.” All to make us feel better or get over a rough place in our life. If we can remember God’s words in **Revelations 21:1-5** It will give us all the confidence we need to know, that what is happening now does not mean forever. This is only a reminder of what happens in a world where God’s order has been broken. Suffering was not part of His original plan for us. In *John 16:33* Jesus tells us “*These things I have spoken to you, that in Me you have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world.*” God’s plan is to redeem the world from suffering caused by sin. **Revelation 21:1-3** *1. Now I saw a new heaven and a new earth, for the first heaven and the first earth had passed away. Also there was no more sea.*

2: Then I, John saw the holy city. New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband.

3: And I heard a loud voice from heaven saying, “Behold the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God.

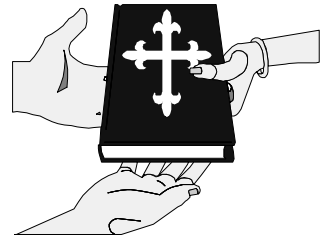

Revelation 21: 4-5 these are the two verses you need to remember when life throws you a curve ball and you just don’t think you can survive. *Revelation 21: 4 “And God will wipe away every tear from their eyes; there will be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away.”*

5: Then He who sat on the throne said, “Behold I make all things new.”

You can still be right side up in an upside down world

A MESSAGE FROM YOUR.....

DEPUTY GRAND KNIGHT & PROGRAM DIRECTOR

Hello Brother Knights,

Hope your summer is going great despite the heat. I hope that your 4th of July was safe and happy.

We start this August with Adoration on the 13th, and the next day the 14th we hold our Business Meeting on the 14th at 7:30pm. Mark your calendars as we would like to see all of you there.

Our new officers were installed last month, for you fellow Knights that attended we thank you and for the others you were missed.

H.O.P.E. Food Bagging is still doing wonderful work and can always use the extra help in bagging the food for distribution. This month they will be bagging on the 16th and 31st and will be starting at 8:30am at the garages.

Don't forget that on the 18th and 25th we have pancake breakfast going on. We will start an hour later than we have in the past, we will be starting at 7:00 am, so the food is hot and ready after the 6:30 mass. Be sure to sign up at the business meeting, we need your help.

Sincerely
Virgil Smith

.....RECORDER &

JUSTICE & PEACE CHAIRMAN

Please look at what the U.S. Conference of Catholic Bishops say are Immigration on their website:

MYTH: Immigrants increase the Crime Rate

FACT: Recent research has shown that immigrant communities do not increase the crime rate and that newly arriving immigrants tend to commit fewer crimes than native born Americans. Ruben Rumbaut, a professor of sociology at Brandeis University, found that “even as the undocumented population has doubled to 12 million since 1994, the violent crime rate in the United States has declined 34.2 percent and the property crime rate has fallen 26.4 percent.” Cities where there are high levels of immigrants, such as New York, Chicago and Miami experienced declines in violent crime during this period. Other cities with numerous immigrants, such as El Paso ..., are among the country’s safest cities to live in.

(Source: Immigration Policy Center, “Immigrants and Crime: Are They Connected,” December, 2007, <http://www.aifl.org/ipc/factchecks/Crime-FactCheck10-16-07.pdf>; Ruben Rumbaut and Walter Ewing, *The Myth of Immigrant Criminality and the Paradox of Assimilation* (Washington, DC: American Immigration Law Foundation, 2007); Radley Balko, “The El Paso Miracle,” ReasonOnline, July 6, 2009, <http://www.reason.com/news/show/134579.html>)

MYTH: Immigrants Don’t Pay Taxes

FACT: Undocumented immigrants pay taxes. Between 50-75% of undocumented immigrants pay federal, state and local taxes. They also contribute to Medicare and provide as much as 9 billion dollars a year to the Social Security Fund. Further still, undocumented workers pay sales taxes where applicable and property taxes—directly if they own and indirectly if they rent.(Source: “The Impact of Unauthorized Immigrants on the Budgets of State and Local Governments,” Congressional Budget Office, (Dec. 2007), p. 6; Immigration Policy Center, “Undocumented Immigrants as Taxpayers,” (November 2007), [http:// www.aifl.org/ipc/factchecks/UndocumentedasTaxpayer.pdf](http://www.aifl.org/ipc/factchecks/UndocumentedasTaxpayer.pdf); Travis Loller, “Many Illegal Immigrants Pay up at Tax Time,” USA Today (April 11, 2008), http://www.usatoday.com/money/perfi/taxes/2008-04-10-immigrantstaxes_N.htm?csp=34)

MYTH: The Catholic Church Supports Illegal Immigration and ‘Open Borders.’

FACT: The Catholic Church does not support law breaking or open borders. “The Bishops of the United States recognize the validity of and need for effective border enforcement that protects Americans from criminal and terrorist elements, allows for orderly and legal immigration, and respects the sovereign rule of law of the United States.”(Source: USCCB, <http://www.usccb.org.mrs/borback.shtml>)

MYTH: Immigrants are a Drain on the United States Economy

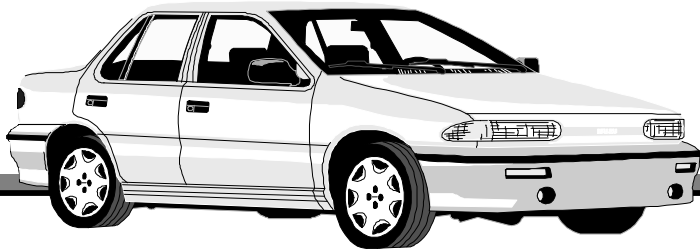

FACT: The immigrant community in the United States is, in fact, a net benefit to the economy. A recent Congressional Budget Office Report states that “over the past two decades, most efforts to estimate the fiscal impact of immigration in the United States have concluded that, in aggregate and

over the long term, tax revenues of all types generated by immigrants—both legal and unauthorized—exceed the cost of the services they use.” Research reported by both the CATO Institute and the fiscal return is \$198,000. (Source: CATO Institute, CATO Handbook for Congress: Policy Recommendations for the 108th Congress, <http://www.cato.org/pubs/handbook/hb108/hb108-63.pdf>; Executive Office of the President: Council of Economic Advisors, “Immigration’s Economic Impact,” June 20, 2007, http://www.whitehouse.gov/cea/cea_immigration_062007.html; Congressional Budget Office, The Impact of Unauthorized Immigrants on the Budgets of State and Local Governments (December, 2007))

MYTH: Undocumented Immigrants are a Burden on the Healthcare System

FACT: The National Immigration Law Center reports that the typical immigrant spends less than half the dollar amount for medical services when compared with the typical U.S. citizen. For example, in Los Angeles County, “total medical spending on undocumented immigrants was \$887 million in 2000 – 6 percent of total costs, although undocumented immigrants comprise 12 percent of the region’s residents.” Further, federal law generally bars undocumented immigrants from using Medicaid benefits except in emergency situations. Even then, immigrants as a group are significantly less likely to use emergency room services than are American citizens. (Source: Center for American Progress, Immigrants in the U.S. Healthcare System (June 7, 2007); National Immigration Law Center, “Health Care Expenditures for Immigrants are Lower than for Citizens,” (May, 2009), www.nilc.org; Dana P. Goldman, James P. Smith and Neeraj Sood, “Immigrants and the Cost of Medical Care,” Health Affairs 25, no. 6 (2006): 1700-1711)”

INFORMATION ON MEMBERSHIP FROM YOUR.....

MEMBERSHIP DIRECTOR

Dear Brothers,

Now that are officers are installed, I hope that you will give them your support in this new Columbian year. Congratulations to the new officers and those that are continuing in office.

Can you recruit one new member, well what about five? Your probably going to say, is he dreaming, well for the first quarter Supreme has a incentive program for recruiters. Recruit one member and receive a Knights of Columbus pen, recruit two members and receive a travel mug, recruit 3 members and receive a Knights of Columbus pad folio, recruit five members and receive all three plus you will receive 500 VIP points for each member recruited. Now this all has to be done in August and September. In June our council recruited nine members, but we can not wait till the last month to recruit.

I must give to others not only something that is my own, but my very self; I must be personally present in my gift." So wrote Pope Benedict XVI in his encyclical on charity, *Des Cartias Est*. His statement reflects the core of the charitable work of the Knights of Columbus, the giving of ourselves through volunteer service. It does not matter if our council is holding a pancake breakfast, working with veterans or any other charitable activities, it takes you as a volunteer to make it a key success. Please help your council out in the activities, why, because the few that are doing the work would like to have the workload lightened and we as a council could do much more charitable work.

The next 1st Degree will be held Monday, August 19th at Fr. Kass Council Hall, 8410 Kass Dr., Buena Park, Ca. Candidates check-in at 7:00 PM. There is another 1st degree at Pope John Paul I Council 6020, St Bonaventure Catholic Church, 16400 Springdale, Huntington Beach, Ca, candidates check-in 7:00 PM. Thursday, August 22nd. Another 2nd Degree will be held on Wednesday, August 14th at St. Columbian Council Hall, 7836 Westminster, Ca, check-in time 7:00 PM. There are no 3rd Degrees on the Chapter Ceremonial Calendar at this time. There are some Brothers who need to take their 2nd and 3rd Degree's, if you are one of those who need to take your Degrees, please make time to do so and when you do let me know. If you plan on taking your 4th Degree, now is the time to start planning and I have the form 4 that you need, October will be here before you know it.

SUPREME OFFICE • COLUMBUS PLAZA • NEW HAVEN CONNECTICUT

The Added Value Of LTC Insurance

As life expectancy increases, the number of people in need of long-term care, in their homes or outside facilities, has grown also. Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Order with an excellent opportunity to further serve Knights and their families. Since 2005, every Knights of Columbus long-term care policy comes with an added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently an LTC policyholder, I suggest that we schedule some time together so that I can provide additional information on how you can avail yourself of this significant, value-added benefit.
