THE GRAND KNIGHT

Brothers,

We are now in the dog days of summer! I know that many of you are on vacations with family, friends or both. However, I hope this letter finds all of you well and your families healthy. It has been a pretty quiet month with our big event being the Installation of officers.

Thank you to all who attended the installation, It was a pleasure to see all of you and your families! I want to thank you for your support and on behalf of all of Brother Knight who are on the board, thank you for your trust and confidence. We all understand that it is a pleasure to serve our council.

Since it is the summer, if you are traveling, I want to wish all of you Godspeed! I pray that our great savior Jesus Christ is with all of you as you travel to and from your destinations. I pray that you travels be filled with great joy, happiness and fond memories. I pray that we all return home, safe sound and relaxed. For those that are not traveling or spending time with loved ones at home, I pray for good visits, healthy relationships and great times!

Vivat Jesus!

Peter A. Morales

INFORMATION ON MEMBERSHIP FROM YOUR

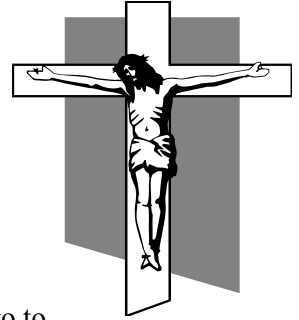

Membership Director

Now that your council officers have been installed its time to work on our council projects. This is where you come in and help. I've asked this before, but please get involved with your council and help us make our Colombian year a success, we need your help. Welcome to our new District Deputy, William Davey, who is a Past Grand Knight of Saint Columbian Council 3926 in Westminster California. Through the years our council has had several District Deputies from that council.

Did you know that this is our councils 30th year? The last time we celebrated our anniversary was five years ago. How time has gone by, there are a few charter members still active in our council, and I will bet they can still remember the forming date. Another important date to remember will take place next year in Los Angeles where our order will host the Special Olympics. The Supreme Knight, Carl Anderson was in Los Angeles and stated our order will fund \$1.4 million for that event. That means many will be coming from around the world for this great event. Also our orders Supreme Convention will take place this month and some of the events will be on EWTN.

COUNCIL CHAPLAIN'S CORNER

Jesus- and Hypocrites in the church

One of the oldest and most popular answers from people who won't go to church is "There are too many hypocrites there." That is the reason they give for rejecting Christianity. The question to them should be "does the presence of hypocrites in the church invalidate the gospel message?" They expect Christians to be perfect. If you read **Matthew 6:1-18 and 23: 13-33**, you will see that Jesus Himself warned against and condemned hypocrisy. "**When you do a charitable deed don't do like the hypocrites and announce it to everyone.**" "**When you pray don't pray like the hypocrites who like to stand in the synagogues for all to see.**" "**When you fast don't be like the hypocrite who wants everyone to notice his suffering,**" Jesus was well aware of the hypocrites in the church, and He warned against them time and time again. He called them "Serpent's and a brood of vipers." He told them they would not escape the condemnation of Hell.

Jesus is the answer to those who say the church is full of hypocrite's. The church is not based on imperfect Christians. It is based on Jesus who was sinless. **Hebrews 6:15** *For we do not have a High Priest who cannot sympathize with our weaknesses but was in all points tempted as we are and yet was without sin.* **Hebrews 4:12-13** *for Gods word is living and powerful and sharper than any two edged sword, piercing even to the division of soul and spirt and of joints and marrow and is the discernor of the thoughts and intents of the heart and there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to who we must give account.*

A MESSAGE FROM YOUR.....

Deputy Grand Knight & program Director

Brother Knights,

Hope you're having a great summer. The month of August is the vacation month, but for those that are in town we have lots to do. Don't forget Adoration is on the 13th. H.O.P.E has their Food bagging set for the 15th and 30th and they can always use the extra help. The Pancake Breakfasts are set for the 17th and 24th in the Parish Hall. The donations from those breakfasts will go to the Intellectually Disabled. The Boy Scouts and Cub Scouts will be helping us as always with the setting up and the cleanup for the breakfasts. Be sure to sign up at our business meeting, no experience needed. A little bit of time you donate can make a difference. Finally capping off the month we will be holding a Corporate Communion at the 8:00am mass on the 31st. Your seat is reserved. See you there.

We will also be looking for all of you to sign up for the Annual Blood Drive. It starts on September the 6th (Saturday) on the church patio and we will continue for the following weekends until the 21st

[Membership Director Continued – From Page 4]

Let's talk about recruiting, an important part of my job my job as the Membership Director and I will need you to help me. It's telling the men in our parish, that the Knights of Columbus is an experience of a life time. If you don't ask them to join, he'll never join. I don't want to sound like a broken record, but we all need reminding to ask that potential candidate to join. Also the members of the 1st degree team need to start studying their parts so we can put on a 1st degree. There is a 1st degree every month at Fr. Kass Council every 3rd Monday of the month. If you need material about our order let me know and I will have it for you. Have you asked that potential candidate to join?

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

There are still some of our members who have not paid their 2013/2014 membership dues. Because of events this year, I was not able to process this completely. Beginning in the next billing cycle, the process will be completed by the end of April 2015. There are several of our members who have not paid their dues for two years or more. This could be for many reasons, one of which is that we do not have current contact information for you. So, beginning with the 2014/2015 billing cycle your membership proposer will be working with the retention committee early in the process to follow up with members who do not pay in a timely manner. We would hate to lose you. If you are having financial hardships and are not able to pay this, please contact the retention chairman and we will make arrangements to support you in any way we can.

I have council badges for many members that have joined our ranks in the past. Please see me at the August business meeting to obtain yours.

I just want to remind everyone that we have several events planned for this year and we need all of you to help out when you can.

I hope to see all of you at the monthly business meetings.

PRO-LIFE Notes •••••

Dear Brother Knights,

There are essentially two issues which must be resolved concerning unborn embryos and fetuses. The first is, “Are they human beings?” The second is, “Should they be recognized as persons under the law?” We’ve already established that there is no debate on the first question. It is a matter of plain, objective science. Embryos and fetuses are fully and individually human from the moment of fertilization on. If this were not true, if unborn children were not demonstrably human, there would be no need to even talk about rights of personhood. “Removing a fetus” would be the moral equivalent of pulling a tooth. This, however, is not the case, and so the debate must now enter the political arena.

There is a very real sense in which the need to answer this second question is, in itself, an absurdity. If you look up the word “person” in your average dictionary (we’ll use Webster’s), you’ll find something like this:

Person n. A human being.

A person, simply put, is a human being. This fact should be enough. The intrinsic humanity of unborn is a human being. This fact should be enough. The intrinsic humanity of unborn is children, by definition, makes them persons and should, therefore, guarantee their protection under the law. For more than thirty years, however, this has not been the case. The situation we are left with is this. In America today, there is a huge and singular group of living human beings who have no protection under the law and are being killed en masse every day. Is that not astounding?! It is astounding, but not wholly unprecedented.

There have been at least two other instances in American history in which specific groups of human beings were stripped of their rights of personhood as a means of justifying their horrible mistreatment. African-Americans and Native-Americans both felt the brunt of a system which denied their humanity, stripped their personhood and subjected them to horrors beyond measure. While the legal framework that made such injustice possible has now been removed, it remains firmly in place for unborn Americans.

There remains one, and only one, group of human beings in the U.S. today for which being human is not enough. The inconvenience of their existence has resulted in a legal loophole of shameful proportions. What is a person? A person is a human being (unless, of course, you haven’t been born yet, in which case we’ll define personhood in any way possible so as to exclude you, kill you and forget you).

Sincerely Yours
Thomas Nagle

CATHOLIC SOCIAL TEACHING #2 CALL TO FAMILY, COMMUNITY, AND PARTICIPATION

K of C is all about support for the family as the central social institution. Our activities are centered around our own families, the larger family (Saint Irenaeus), and the protection of our families and our Church.

Grand Knight Peter Morales reflected at our last General Meeting on the many ways our knights support St. Irenaeus, and I would like to share a few of those. At the Fiesta our knights provided electrical set up and tear down, we manned the sausage booth, conducted sales of tickets, did clean up, etc. The Fiesta is our major parish fund raiser. One of our knights and his wife have chaired the Fiesta for years (think blood, sweat, tears, and sleepless nights.) Many brother knights are deeply involved in H.O.P.E. in support of poor families in our parish and communities. Part of the funds generated by Ave Maria Vehicle Donations go to H.O.P.E. Several knights for years have regularly picked up groceries in their own vehicles and have welcomed clothing and appliance donations to help families. We have even given our expertly cooked left over pancakes from our pancake breakfast at St. Irenaeus School to H.O.P.E.

Call or e-mail names in this Newsletter if you can help in any way. Thank you and thank God!

Yours in Christ,
Frank Faecke, Recorder
