# THE GRAND KNIGHT

My Brother Knights

As we get into full swing of the holidays, I'm hoping all of the Knights of the council had a wonderful Thanksgiving. Being with friends and family at holiday time is what matters most. I would like to tell all of my fellow Knights Thank You for all that you have accomplished during this past year.

All though I was unable to attend the annual H.O.P.E. Dinner/Dance at the Knott's Berry Farm Convention Center I hear that all of you that attended had a great time. I had purchased tickets for my family to attend but things came up at the last minute and we were not able to attend. During the dinner Past Grand Knight Bill Serb presented to H.O.P.E. a one thousand dollar check for me from our Council to assist them with their charitable activities. This is just one of the charities that we as a council assist with all of your help during the year, thank you!

We are now looking forward to the Fish Fry's during lent.

We will have a membership drive in 2016 and hopefully a great golf tournament. I am really looking for both to be a great success.

Bless you

Virgil Smith GK

## Psalm 37

Obstacles give us the opportunity to trust God. I think the key to Psalm 37 is in verse 7 “*Be still before the Lord and wait patiently for him.*” With everything that is going on around us, Psalm 37 is a verse of hope. “*Do not fret because of those who are evil or be envious of those who do wrong; for like the grass they will soon wither, like green plants they will soon die away.*”

*Trust in the Lord and do good; dwell in the land and enjoy safe pasture. Take delight in the Lord, and He will give you the desires of your heart.*

*Commit your way to the Lord; trust in Him and He will do this: He will make your righteous reward shine like the dawn, your vindication like the noonday sun.*

*Be still before the Lord and wait patiently for Him; do not fret when people succeed in their ways, when they carry out their wicked schemes*

*Refrain from anger and turn from wrath; do not fret it leads only to evil. For those who are evil will be destroyed, but those who hope in the Lord will inherit the land.”*

Psalm 37 is about replacing worry with trust and in Philippians 4:6-7 Jesus tells the Christians “*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God and the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ.*”

Praying that this Christmas season God will change your worry to trust so that you can rest in Him and that He will give you the “Peace that passes all understanding.” The peace that comes from waiting patiently on Him.

*Merry Christmas*

# Membership Director

Dear Brother Knights,

To be eligible to become a Knight, Section 101 of the Laws of the Order require that the applicant be a "practical Catholic." The guidelines not only inform us on eligibility for membership but should also serve as a reminder of what is expected of us as Knights.

A "practical Catholic accepts the teaching authority of the Catholic Church on matters of faith and morals and aspires to live in accordance with the Catholic Church..."

A "practical Catholic gives material and moral support to the Church and her works on all levels, promoting the programs of the parish and diocese and coming to the aid of the missions, the needy and the underprivileged; supports and advances the just causes of minority groups; endeavors to eliminate unjust discrimination, prejudice, etc.; and supports the Church in her defense of marriage and family life."

# PRO-LIFE Notes •••••

Dear Brother Knights,

If you have been watching videos put out by The Center for Medical Progress you may have been a little surprised to find out Planned Parenthood is in the business of selling baby parts. Planned Parenthood might put it this way. A good brain is really hard to come by. You have to go through a lot of babies to get a good one. The best brains come from the babies who are born before they are aborted. You get top dollar for the baby that's kicking and screaming. For Planned Parenthood that's good news. They can sell all of his or her body parts for top dollar. Talk about easy money. It gets even better, the state of California and the Federal government fund Planned Parenthood to the tune of about Seven Hundred and Fifty Million Dollars (that's just the Federal Government). The last I heard the State of California pays for forty percent of all abortions in the state (the State of California withholds information on abortion). **They call it Health Care.** It's not a good plan if you haven't been born yet!

Just for the record it's against the law to sell body parts. If you take the time to watch the video's Planned Parenthood management has been doing this for years. One Planned Parenthood official stated I have been doing this for ten years. By their own statements they have been breaking the law for years and continue breaking the law. Will they be investigated? The Center for Medical Progress has already done a three year investigation into Planned Parenthood. The hard work has been done for any law enforcement agency wishing to investigate. I would be very surprised if anyone from Planned Parenthood goes to jail or even pays a penny in fines. I would not be shocked if personnel from The Center for Medical Progress were investigated, fined and sent to jail. There are more tapes coming out and it seems each one is more damning then the one before it. As of now the question being asked is should our government continue to fund Planned Parenthood? This is not Health Care or a Woman's Health issue. In the history of this country has it ever been ok to sell body parts?

Defunding of Planned Parenthood should be a no brainer. Should our tax dollars be used to support any group or persons so indifferent to life? A group that (by their own words) has no respect for law. What does that say about anyone who would support them? What does it say about us as a nation? Why would you fund them?

## ***Founding Notion: Protecting the Breadwinner's Income***

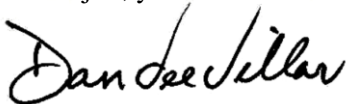

While jobs may be safer in 2015, accidents, injuries, and illnesses that can impact your ability to work still happen. Most, in fact, do not happen on the jobsite or place of employment. Did you know that a 2011 study revealed that more than 95 percent of the long-term disability claims on file were not work related?

The Knights have always sought to protect members' families from the "loss" of a breadwinner. I'm sure you know all about Father McGivney's vision for our insurance program. But you may not know that Father McGivney also wanted to find a way to help members who couldn't work because of an illness. After all, the "loss" of the breadwinner does not have to mean that person's death; it can also mean the loss of the breadwinner's income.

Consider that loss for a moment. How would your family fare if a source of income suddenly stopped? Could a dual-income family manage on one income stream? What about young families with a working father and a mother who cares for the children? What if his income halted due to an accident or illness?

I've heard some people say they have coverage at work, but too many aren't sure what this coverage entails, how much income it would provide or for how long. Having this protection counts for something, certainly, but it isn't "yours"; it's provided by the company for which you work at their discretion. It could be eliminated tomorrow.

That's where a personally-owned disability income insurance product, like Income Armor, comes into play. It can offer valuable income replacement in the event of an injury or illness.. If you have a job, you must know about this coverage.
