THE GRAND KNIGHT

Brother Knights,

Happy New Year and may the Blessings of Jesus Christ be with you and your family throughout the year!

We enjoyed a warm and joyous Family Christmas party in the Hall and Santa was a wonderful surprise for the youngsters attending. We send special thanks to Ken and Kay along with Tom and Carol for organizing and decorating for the event, Bobby for preparing the ham and to those who participated by helping set up, helping to serve and for all who brought delicious dishes and desserts. The White Elephant Exchange was a hit again this year.

Many Council members also participated in the packaging, collecting and distribution of food goods for Thanksgiving and Christmas organized by H.O.P.E. demonstrating the commitment of the Knights to serve others in need. We should all thank them for their continuing giving of time. Our Council #8599 presented a check for \$1500.00 to H.O.P.E. to help keep up the great work they perform.

As we enter this second half of the Columbian year, please keep in mind that the Council needs guidance and participation for all those who can contribute their talents and time. Please give serious thought on how you might serve as a chairman or as an officer in the Council. The work is rewarding, and if we distribute the duties properly, it is not too demanding on certain individuals. Always remember that this is your Council and you do count. You can let any officer know where you think you might serve best.

God Bless All

A Prayer for 2013

This seemed a fitting prayer as we begin the New Year

“Father, we surrender this past year and give it up to You. We give You our failures, our regrets, and our disappointments, for we have no more use for them. Make us now a new people, forgetting what lies behind and pressing on toward that which lies ahead of us.

We give You all our hopes and dreams for the future. Purify them by Your Spirit so that our wills shall truly reflect Your will for us.

As we stand on the threshold of another year, encourage us by our successes of the past, challenge us by the power of Your Word, and guide us by the presence of Your Holy Spirit.”

Happy New Year

A MESSAGE FROM YOUR.....

**DEPUTY GRAND KNIGHT
& PROGRAM DIRECTOR**

Dear Brother Knights:

That was one great Christmas Party we had and my thanks to everyone who helped. Last year was a good year, but this year is going to be better. We start with the monthly officer meeting on the 2nd of January 2013. On the 9th we have our business meeting. It may not seem like it but this is an important meeting, as we plan our activities and make schedules for the rest of the year. Reminder we have Adoration on 13th. On the 18th we have our first family night of the year. It'll be good time sit back and enjoy a nice night with your brother Knights and their families. It'll take place in the church hall at 6:00 P.M., family names beginning A to L bring a main dish and those with names that begin with M-Z bring a salad or a dessert. The council will be providing the drinks.

We'll also start to plan for our St. Irenaeus School Pancake Breakfast for the school staff and the student's in February. It's on the 12th and before our February Business Meeting.

It also my understanding H.O.P.E. could use some help. If you are interested in helping talk to one of our many member's involved in that activity.

During the week Pro-life members will be going to the abortion site in Long Beach to pray the Rosary for life. If you would like to join us we meet at 10:30 A.M. in the church parking lot on Tuesday's and Thursday's. Tom Nagle, yours truly is the coordinator during these trips (Tom Nagle----one hour at site). On Wednesday's and Friday's we meet at 8:30 A.M. in the church parking lot, George Kubeck is the trip coordinator for those days.

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

Happy New Year!! I pray that your Christmas was peaceful and full of Joy.

Your dues payments are coming in quickly. Thank you to those who have returned them already. At the January Business meeting we will have a drawing to see who gets their dues refunded. For those who have not been able to return your payment, please make every effort to get them back soon.

Last month, I handed out an Individual Fraternal Survey form. The compiled information is due at Supreme by January 31. Please fill this form out and either bring it to the January Council Business meeting or mail it to me at:

Mike Morris
6102 Dudman Ave.
Garden Grove, CA. 92845

One of the voluntary assessments included on your bill this year is the Culture of Life assessment. Here is a statement from Supreme concerning this.

"The Supreme Knight addressed the 2008 Annual Supreme Council Meeting saying, "Today we constantly hear about change. We must remember that real change means building a culture of life and a civilization of love." He continued, "We are a non-partisan organization, and Knights belong to a variety of political parties. We do not endorse candidates for public office, although many of our members are elected officials. But we do take a strong interest in certain critical issues that affect our most fundamental values as Catholic Christians and as citizens.... And if we truly hope for a Culture of Life and a Civilization of Love, then we must first think, and then act, in new ways. "

More information on this is available at <http://www.kofc.org/lifefund>

I just want to remind everyone that we have several events planned for this year and we need all of you to help out when you can. I hope to see all of you at the monthly business meetings.

A Witness At The Family Planning Associates Facility In Long Beach

The Knights of Columbus at St. Irenaeus Church, Cypress, CA, have a weekly outreach to people going into or walking by the Family Planning Associates abortion mill on Long Beach Blvd. across from Memorial Hospital. When I can go along with them, I take my shocking pink and white www.AbortionBreastCancer.com sign with me. When there is no foot traffic, I hold the sign up for cars traversing the street. When pedestrians approach, I show them my sign and ask if they would take some information. Most are curious, wondering, “What does abortion have to do with breast cancer?” I hand them a little leaflet with the image of a 2 ½” perfectly formed baby 12 weeks after conception. I ask them, “Does that look like a human being to you?” They always say “Yes, of course.” Then I tell them that 4,000 babies like this one are getting sliced and diced every day in America and have been since the 1973 Roe v. Wade decision. I add that abortion is not good for women either, because it causes breast cancer four ways (the leaflet refers to the above website for details on this). It also predisposes women to premature birth of future “wanted” children – a tragedy for the child, who is at high risk for cerebral palsy, blindness, mental deficiency, and many other serious conditions, and for the mother, whose premature birth increases her risk yet again for breast cancer (ibid.). People are shocked to learn that, contrary to the myth, abortion is far more dangerous than childbirth (<http://afterabortion.org/2012/higher-death-rates-after-abortion-found-in-u-s-finland-and-denmark/>)! And there is a scandalous cover up of these facts! (http://www.youtube.com/watch?v=DSmma0COO1E&feature=player_embedded)

If they linger, I go on to explain that abortifacient birth control is also cancer-causing (AbortionBreastCancer.org, ibid), and that all American employers are now forced to pay for cancer-causing abortifacients: the pill, patch, shot, IUD, and ring, the Morning After Pill, RU486, and Ella (http://www.bcpinstitute.org/pill_kills_brochure.htm) through the nationalized insurance we just voted for in November. They are forced even if it goes against their conscience to do so! So we start talking about the First Amendment right to freedom of conscience and of religion that America has always supported in the past (at Valley Forge, Mennonites and Quakers were not coerced into taking up arms against the British, although our country’s situation was grim), so why coerce now? There is also a legal case based on health arguments against mandatory contraceptives <http://www.lldf.org/in-the-public-square/brief-argues-mandatory-contraceptives-endanger-womens-health/>. To top it all, I tell them about the 2009 study that shows that women under 18 who take birth control pills are at three to four times the risk for TNBC, Triple-Negative Breast Cancer, the most aggressive and hard-to-treat form of breast cancer associated with more deaths at younger ages.

[Continued from the previous page **PRO-LIFE NOTES.....**]

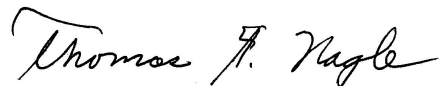

[<http://breastcancer.about.com/b/2010/01/08/abortion-birth-control-pills.htm>], and that **teenagers less than age 18 who have abortions between 9 and 24 weeks have an 800% increased risk of breast cancer**, or a relative risk of 9.0 (times more risk!!!), according to a National Cancer Institute-commissioned study, Daling et al. 1994. (www.AbortionBreastCancer.com, *ibid.*)

Most of the people I talk to are greatly interested to discover this information and accept the literature. Some ask about chastity resources, so I refer them to www.chastity.com. If they are interested, I also give them a Divine Mercy prayer card. Often they smile as they leave. And I smile back.

MEMBERSHIP DIRECTOR

Dear Brothers,

Happy New Year, and hope you all have a healthy year and hope you all had a Blessed Christmas. Its just great when you can be with your families and enjoy the time spent with them.

With just six months left in this Columbian year, I hope you have asked some potential candidate to join us and make our goals for membership. One thing I have mentioned before and its always important to remind you, that when you sponsor a member it very important that he makes it to our council meetings. I know we have a telephone tree but maybe he does not have a ride and we should offer that to him. Brothers we need you to help our council because it seems that the same Brothers are at the functions all the time.

Now if your a 3rd Degree member, now is the time to make yourself available for one of the council officer positions for the next year. The other council officers will give their support to help you, after all we all have to work together. I hope to hold a 1st Degree for the month of January as we have six candidates that need to take their 1st Degree's. The Chapter had a 3rd Degree the 15th of December but informed the councils late as some of the candidates had already made other plans. Some of you mentioned that they were not informed about the 2nd Degree last month. Well, I was out of town and I put the information in our bulletin so in case I am not available you will know the dates and locations of the Degree's.

The next 2nd Degree will be Sunday, January 17th at Fr. Kass Council Hall, 8410 Kass Drive in Buena Park. Candidates check-in at 1:00 PM. The next 3rd Degree date has been finalized and that will be on Sunday, February 24th at Fr. Kass Council Hall, 8410 Kass Drive in Buena Park. I previously indicated that it would be held at St. Puis V Parish in Buena Park, but that has since changed. Candidates check-in for the 3rd Degree at 1:00 PM and remember the dress code. No shorts, jeans, flip-flops or tennis shoes. You should wear slacks and a dress shirt or a suit. At this time no information given about the dinner. I will have more information in next month's newsletter.

Insurance Check-Up For 2013

An insurance check-up can be as important as an annual physical. Unlike many other products, you don't just need money to obtain life insurance, long-term care or disability income insurance. You also need good health, and no one knows when your health could change.

Did you take time out of your schedule last year to meet with me? If you did, thank you for seeing me and helping secure your financial future. I will be in touch with you to schedule your annual review to verify that everything is heading in the right direction. We'll make sure that if your goals and budget have changed, your plan still works for you.

If you didn't have a meeting with me last year, I hope you will answer my invitation this year. It's a wise idea to have an expert look at your finances. Schedule some time to visit with me, your professional Knights of Columbus insurance agent, and I'll provide an insurance check-up that will quickly identify any gaps in your family's life insurance program.

Did I mention my check-up is free of charge? When was the last time you received something for free that could be providing value to you and your family for generations? And I'll come to your house when it fits your schedule. Call me today.
