THE GRAND KNIGHT

Brother Knights,

Happy New Year. I hope all of you had a joyous Christmas season, but now we have business as usual. Last year as you might know we achieved the Star Council award, and it looks like we can do it again this year. We need only eight new members to get award once again this year. I look forward to the next membership drive. Brother Walt is taking it to the next level so, if any of you have a fresh idea on how to make the membership drive more enticing to the members of the church, bring those ideas to the next meeting we would welcome any and all ideas.

I am really excited about the upcoming Fish Fry's this year, and the Raffle during this event for the week vacation in Maui. That weeks' vacation is being generously donated by Brother Knight Ken Petersen and his Lady Knight Kay as they have done so previously. We want to make every Fish Fry Friday exciting, having lots of parishioners having a good time while eating a good meal. Any suggestions of how we can raise more money (Goal is \$10,000.00) are welcome. Maybe we can raffle off gift cards (that have been donated) from local restaurants etc. Possibly also raffling off of a big screen TV. Whatever, we need ideas and someone that can lead us to our goal.

Viva Jesus!

Healing The Broken Heart

At the beginning of every New Year, the newspapers, magazines and the media usually put out a list of celebrities who have died in the past twelve months. In our hearts we have a list of our own. We mourn for those whose names we hold close in our heart. It could be a friend, an acquaintance or family member. There is no greater pain felt than when someone we love dies.

When you get hurt physically the wound is treated immediately but the healing takes time. God heals our grief in a similar manner.

When the hurt and loss seem too much to bear remember *Psalms 147: 1-3. Praise the Lord. He who heals the broken hearted and binds up their wounds.*

Psalms 147 begins and ends with "Praise the Lord." Praise can lift the burden of grief. It takes a little time, but remember God will be right by your side every step of the way.

Psalm 9-1, leads you through David's journey praising God. If you follow David's example maybe it will help you reconnect with God thru praise when you're going through a difficult time.

Start your New Year off with a heart full of praise and see what joy will fill your soul. *Luke 11:10 everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened.*

NEW YEAR RESOLUTIONS

As 2017 dawns, what are we resolving for this year? What has the Holy Spirit taught us during Advent while we were preparing for our Savior's birth at Christmas?

The Jewish belief, according to our WORKBOOK FOR LECTORS, was that "God's Word contains complete meaning from the moment it is uttered, but the full significance of Scripture discloses itself only gradually by reflection upon the unfolding events of salvation history." That means it takes time to understand the meaning of God's mysteries in our lives.

Jesus (which means "God saves") was there at the beginning of creation. After 1,000 years of prophecy in the Old Testament and 300 prophecies specifically of the Messiah, He was born. As we know, Jesus is the Word of God. The Holy Spirit helps us reflect on the unfolding events of salvation history and the events of our own lives.

As we receive the sacraments and ask the Holy Spirit for His gifts, let us resolve to do His will as our chief resolution. May God bless us all and our families in this New Year!

Yours in Christ

INFORMATION ON MEMBERSHIP FROM YOUR

Membership Director

Greetings gentlemen,

We finished 2016 on a strong note. Our Christmas party was a well attended success. Our last membership meeting of the year was very enjoyable with dinner being served before the meeting.

As the membership coordinator, I would like to see more meetings like our December meeting-- feasting with great company. We place a heavy emphasis on fundraising and assisting in charitable activities. These things are very important to our Order and these things naturally come with a very active and thriving membership body.

I will continue to work hard at recruiting new members. But recruiting without an equal emphasis on retaining members ultimately means that we don't grow. I am looking forward to a more enjoyable membership experience for all and I welcome ideas from anyone.

WHAT IS PERSONHOOD?

There are essentially two issues which must be resolved concerning unborn embryos and fetuses. The first is, “Are they human beings?” The second is, “Should they be recognized as persons under the law?” We’ve already established that there is no debate on the first question. It is a matter of plain, objective science. Embryos and fetuses are fully and individually human from the moment of fertilization on. If this were not true, if unborn children were not demonstrably human, there would be no need to even talk about rights of personhood. “Removing a fetus” would be the moral equivalent of pulling a tooth. This, however, is not the case, and so the debate must now enter the political arena. There is a very real sense in which the need to answer this second question is, in itself, an absurdity. If you look up the word “person” in your average dictionary (we’ll use Webster’s), you’ll find something like this: **Person** *n.* A human being. A person, simply put, *is* a human being. This fact should be enough. The intrinsic humanity of unborn children, by definition, makes them persons and should, therefore, guarantee their protection under the law. For more than thirty years, however, this has not been the case. The situation we are left with is this. In America today, there is a huge and singular group of living human beings who have no protection under the law and are being killed en masse every day. Is that not astounding?! It is astounding, but not wholly unprecedented. There have been at least two other instances in American history in which specific groups of human beings were stripped of their rights of personhood as a means of justifying their horrible mistreatment. African-Americans and Native-Americans both felt the brunt of a system which denied their humanity, stripped their personhood and subjected them to horrors beyond measure. While the legal framework that made such injustice possible has now been removed, it remains firmly in place for unborn Americans. There remains one, and only one, group of human beings in the U.S. today for which being human is not enough. The inconvenience of their existence has resulted in a legal loophole of shameful proportions. What is a person? A person is a human being (unless, of course, you haven’t been born yet, in which case we’ll define personhood in any way possible so as to exclude you, kill you and forget you).

Welcome to America.

Sincerely Yours

Thomas Nagle PGK

Insurance Check-Up for 2017

Where did 2016 go? It seems like it was summer yesterday and Thanksgiving was last week. I hope you and your family had a great finish to 2016. Now, the first quarter of 2017 has begun!

Hopefully, you've established a few goals for this year. I've learned a great tip regarding resolutions. First, write them down. It's not too late if you haven't already done this. Commit your goals to paper and post it someplace you will see it often. Writing down a goal is the first step towards achieving it. It may not make sense at first, but I'm sure you have heard stories of the success this simple task can bring. Whether your goal is to exercise more, give more to charity, read more or watch less television, you're more likely to accomplish it if you write it down.

Second, resolve to have an expert look at your finances. I recommend that you have a team of experts help you, and I would love to be the first you sit with. Let's schedule some time to meet together, and I, your professional Knights of Columbus insurance agent, will provide an "insurance check-up" (at no cost!) that will evaluate any gaps in your family's life insurance protection. Now might be the perfect time to fill those gaps, not later. Keep in mind that unlike many other products, you don't just need money to obtain life insurance; you also need good health, and no one knows when your health could change.

Did I mention my check-up is free of charge? When was the last time you received something for free that could provide value to you and your family for generations? Call me today.
