THE GRAND KNIGHT

Brothers:

WOW! Its summer! Brothers I hope this letter finds all of you well and your families healthy. It has been another busy month with the main event being the Parish Fiesta.

Once again the Knight manned the Sausage booth and a good time was had by all. I personally enjoy the fiesta because I get to see friends and other Knights. The fiesta brings out everyone and it make me realize that our council is woven in the fabric of our community and parish. As I walked around the fiesta I noticed Knights working throughout the event. We have Knights who manage the electrical systems, man the margarita booth, working the PA system, selling raffle tickets and even a Knight who chairs the Fiesta committee. Although we miss them at our business meetings, they are still living the mission of our order, Charity. I am grateful that we have such a vast involvement and I am proud to be a Knight. On Behalf of our entire council, I would like to thank all who participated.

In the middle of the fiesta, we had three Knight advance in our order to the Third Degree Chorm Thienngern, Fredrick Gum and Ralph Martinez. Congratulations!

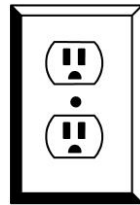

We also lost two Knight, Paul Purtel and George Tuff both were very active in the council and have left their mark on both our order, community and parish. Please keep them and their families in your prayers.

Vivat Jesus!

Peter A. Morales

A Note From Your Bulletin Editor

Thanks

During this year's Fiesta and the time spent planning it, we as council members spent many hours to make it the success it was. I was responsible for the electrical set-up and operations and take down for the event. I want to thank all you brothers that helped me with that portion of the Fiesta. A special thanks to Gideon Hawley, Matthew Serb, Ron Serb, Dayna Trudeau, Jim Wiedel Family, James & Stephine Millette, James Bowler, Leo Griego, Ralph Rodriguez, George Limar, Ken Peterson PGK, Virgil Smith, George Del Hierro and anyone I failed to list but helped me out, it takes a team. **Thank You.**

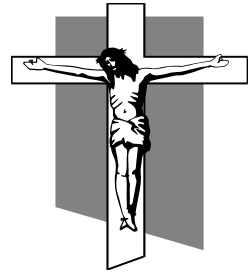

A reminder, Roselito De Los Reyes has agreed to accept the position of Chancellor for this Columbian Year for our council and we will vote on him for that position at this month's Business Meeting.

COUNCIL CHAPLAIN'S CORNER

Our Greatest Freedom

On this Independence Day we need to remember the liberties we are so lucky to enjoy and be grateful for the freedom that we have.

The Declaration of Independence reads “all people are created equal” and that we are endowed with certain “unalienable rights.” The men who wrote the Declaration were very open in declaring their belief in God. They knew that the freedoms they were proposing would only work if the people continued to acknowledge that God was our Creator.

Thomas Jefferson once wrote when he saw the sin in our Nation “I tremble for my country when I reflect that God is just.” If he would tremble then imagine how he would feel today. People are taking their freedom for granted without seeing how blessed we are. We are becoming a nation of people who selfishly insist on “our own rights” without concern for others. We want our own personal freedoms and in the process of all this we are leaving God behind.

In I Peter 2:9 Peter says “as a holy nation you are to proclaim the praises of Him who called us out of darkness into His marvelous light. Galatians 5:1 stand fast therefore in the liberty by which Christ has made us free. Psalm 33:12 blessed is the nation whose God is the Lord.

True freedom is not in having our own way but yielding to Gods way *I Peter 2:9 you are a chosen people, a royal priesthood, a holy nation, His own special people.*

Freedom doesn't give us the right to do what we please, but to do what pleases God. Our greatest freedom is freedom from sin.

A MESSAGE FROM YOUR.....

Deputy Grand Knight & program Director

Brother Knights,

I hope your summer is off to a great start. The St. Irenaeus Fiesta was a big success, as usual, we served many sausages in our booth and had fun doing it. I would like to thank all that helped at our booth.

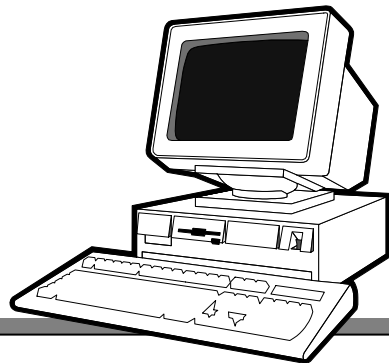

Now it's on to July. I hope you all have a great fun filled holiday. In addition to our monthly Business Meeting on the 9th Adoration on the 13th until 6:30am of the 14th, H.O.P.E. with Food Bagging days on the 18th and the 26th at 8:30am we have a few other events coming up. Also a Council Picnic is in the planning stages tentatively scheduled for Saturday the 27th in the church patio. We will let you know more about that if it materializes.

The 13th of this month Chapter has scheduled a Council Officer Training Class at Blessed Sacrament Parish Hall in Westminster from 9:00am until Noon for any Council Officer.

The big event is the Installation of Officers on Sunday the 20th, after the 8:00am mass in the Parish Hall. This is an annual ceremony that will give us our 2014 – 2015 Columbian Year officers. We welcome all wives and family to join us for this ritual. Breakfast will be provided after the ceremony.

See you there

PRO-LIFE Notes •••••

Dear Brother Knights,

UNWANTEDNESS

One of the favorite mantras of abortion advocates around the country is “Every Child a Wanted Child”. It sounds noble enough, until you realize what their solution to unwantedness is. If a child isn’t wanted, they argue, then it shouldn’t be born. The problem, of course, is that the child is already conceived, and the only way to keep said child from being born is to kill it. How do they justify such violence? Often by arguing that it is better for the child to be dead than for the child to be unwanted.

This is a bogus argument. It doesn’t work for the simple fact that no one makes such an argument about children after birth. Whoever heard Planned Parenthood or the National Organization for Women (NOW) argue that it would be better to kill children waiting for adoption rather than let them suffer through an “unwanted” life? If someone’s right to life truly were established or removed based simply on their “wantedness”, that would be the deathnell of homeless men and women around the nation.

Something as subjective as “wantedness” can never be the basis for granting someone the right to life, and abortion advocates know this. They don’t argue that mothers should be free to kill their “unwanted” children *after* birth because they know these children are living, human beings with full rights of personhood. The only reason they argue that mothers should be free to kill their unwanted children *before* birth is because they’re ignoring the scientific reality that these children, too, are living, human beings. The question is humanity, not wantedness.

Finally, it must never be forgotten, that the very discussion of “wantedness” in the first place ignores a substantial reality. There are no “unwanted” children in the broadest sense. Even if the biological parents want nothing to do with their offspring, there are literally, millions of infertile couples waiting to adopt a baby, and thousands of them are willing to adopt diseased babies of any race or ethnicity. This oft-cited notion of “unwantedness” is misleading and is utterly insufficient to justify even a single abortion.

Sincerely Yours
Thomas Nagle

PUTTING CATHOLIC SOCIAL TEACHINGS INTO PRACTICE

Now that we have seen the 7 Catholic Social Teachings from the U.S. Catholic Bishops, let's ask what we as individuals and we as a council are doing.

#1 Life and Dignity of the Human Person touches on pro-life activities. Brother knights pray regularly at Planned Parenthood and hand out literature that our council pays for. This literature alone has moved some to choose life. These knights are called "sidewalk counselors." Many precious lives have been saved over the years. When men, women, or their parents see us praying the rosary some are touched and moved to reconsider and chose life. We give them the option of life and the spiritual, material, and medical referrals they need without judging. There are many other ways in which knights show that every person is precious and work to make every institution enhance life and the dignity of the human person. Would you like to help? Please pray for these ministries. Do you have other suggestions? Call the officers listed in this Newsletter.

Yours in Christ,
Frank Faecke, Recorder

Membership Director

Now that our council elections are completed and our new Columbian year is upon us, I ask that you support the officers of your council. Help us make our programs a success by volunteering some of your time. We cannot do all the programs by ourselves, we need your help, that is what brotherhood is all about, so make plans on your calendar to help us.

On Sunday, June 22nd, a 3rd Degree was held at St. Pius V in Buena Park and our council had three Brothers who took their Degree. Congratulations to Brothers Fredrick Gumm, Rafael Martinez, and Chorm Thienngern. Hopefully, for those of you that need to complete your 2nd and 3rd Degree's you can complete those two Degrees soon. All you have to do is pay attention to the date and place and make it a point to be there.

The next 1st Degree will be held on Monday, July 21st at Fr. Kass Council Hall in Buena Park. I know that we as officers have talked about doing a Degree in our own council in the future. There are other councils that put on 2nd Degrees, so I will find out where and when. If you plan on taking your 4th Degree, now is the time to start planning and getting your form signed. I will meet with the Master of the 4th Degree on the 27th of July for all the details. The Degree will be held at the Marriott in Irvine. This is just about an all day affair. This is a formal affair for you and your wife, you will be in a tuxedo and have dinner with your wife after the event. I have the form that you will need.

There are a few things we need to do this year to make our council a success. Opening the door of the Knights of Columbus membership to every Catholic man, and reaching out to our Catholic community. We have to set realistic goals, maintaining positive attitudes, and overseeing membership. One important way to archive success, especially in the area of growth, is to focus on recruitment 365 days a year. Too many councils take a break during summer and don't start focusing on membership until September. When that happens we lose 20 percent of our work time to achieve our goal. We as Brother Knights have a moral obligation to offer every eligible Catholic man the opportunity to join the Order and enjoy its benefits, and we need to be everywhere in our Catholic Church today. The best method of meeting these goals is to follow the One Member, Per Council, Per Month recruitment strategy and strive to earn Star Council status. Have you started recruiting yet?
