# **THE GRAND KNIGHT**

Brother Knights,

We are starting our new Columbian Fraternal Year (July 1, 2011-June 30, 2012). I want to thank all of you that elected me to a second term as your Grand Knight and thank you for your support for the ending Fraternal Year. I appreciated all of you that put in your valuable time working on our various activities throughout the last year. I want to especially thank all of you that attended our monthly business meetings; your input is always helpful in deciding how to run our events and knowing what we can improve on. My job is to oversee our activities, you as members carry out the activities and make them work and I thank you for that.

Thanks to all of you that helped with the St. Irenaeus 50<sup>th</sup> Anniversary Celebration on the evening of June 4<sup>th</sup>. We had members of our councils 4<sup>th</sup> Degree Team Color Guard serve during the evening mass of the celebration, I heard many comments at the party afterwards on how well that looked. It gave our organization exposure to many parishioners that might otherwise not know about us. We as a council were charged with staffing the wine and beer booths, thanks goes to many of our members that gave of their time serving the spirits when they could have been relaxing and listening to the music. And a special thanks to Pete Morales for chairing the manpower of the booths for this party.

On June 8<sup>th</sup> the St. Irenaeus 8<sup>th</sup> grade class held their Graduation Ceremonies in the church. As many of you know our council held an Essay Contest for the 8<sup>th</sup> graders the theme being "The Responsibility of the Catholic in a Free Society". During their ceremony I had the privilege of awarding these young people their cash awards and certificates. First Place went to Jonathan Alcantara, Second Place to Annika Manliqueuz and Third Place to Dominic Masciel. Congratulations to all three of the winners, great job.

And lastly St. Irenaeus's largest fundraiser of the year, the "Annual Fiesta" was held over the three days from Friday June 24<sup>th</sup> to Sunday June 26<sup>th</sup>. As usual our council staffed the "Sausage Booth" and we took on also staffing the new "Philly Cheese Steak Booth". Many members worked these booths during the three days of the Fiesta putting in many hours of their time. The Fiesta financial staff told me that we did very well. Thanks to all of you (too many to list) that spent time working our booths. We also had many of our members pulling double duty by working in other areas of the Fiesta, thanks to you also. On top of that some spent time with me setting up and taking down the electrical for the Fiesta, I appreciated your assistance, I could not have done it without you.

Thank You & God Bless

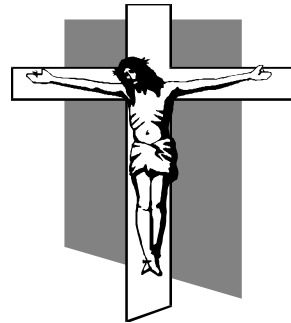

William (Bill) Serb

## **We The People**

When the Second Continental Congress approved the Declaration of Independence, they were declaring their belief in God. They knew that the freedoms they were proposing would only work well in a society that acknowledged God. They said that God has “endowed” all people with the right to “life, liberty and the pursuit of happiness.”

It was said that Thomas Jefferson was distressed by the sin he saw in the nation. He later wrote, “I tremble for my country knowing that God is just.” If he was distressed back then can you imagine what he would be thinking about today’s society. Our Founding Fathers wanted us to have individual freedom but they didn’t mean a permissive lifestyle that allows us to do whatever we please. People who refuse to fear God can never enjoy true freedom.

*Psalm 33:12 Blessed is the nation whose God is the Lord.* We are safe and secure as a nation as long as we remember that verse. Our greatest freedom is freedom from sin and God gave us that opportunity when He said from the cross in *Luke 23:34* “*Father forgive them for they know not what they do*” and in *John 19:30* “*It is finished.*”

**Our Greatest Freedom is Freedom from Sin  
God Bless America**

## **DEPUTY GRAND KNIGHT & PROGRAM DIRECTOR**

Brothers;

I want to thank all you brother Knight's that had confidence in me by voting for me as your Deputy Grand Knight and along with that office your Program Director for this Columbian Year. Thank you! Some of my duties are to help plan and coordinate the various programs for the Council for this Columbian Year. I am out of town quite a lot, but I plan to fulfill my duties for these two positions as well as communicating to you each month via this bulletin about our up coming activities.

With that in mind, we had a very busy June calendar of events and activities and July is somewhat of a slower month for us allowing us to take a breath. But we still have some events on our calendar this month.

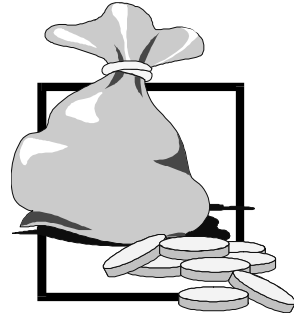

First, for the Officers of the council, on Wednesday July 6<sup>th</sup> at 7:00pm is the officer meeting held in the church conference room next to the hall. This meeting is to plan and discuss our council's activities and other interests of the council. Any member is welcome to attend if they have any input or are just interested in observing the meeting. On the following Wednesday the 13<sup>th</sup> is our regular business meeting held in the church education building. The business portion of the meeting starts at 8:00pm, but at 7:30pm we have a social time and serve hot dogs, soda and at times members bring in other foods such as pizza. Easy to remember, **1<sup>st</sup> Wednesday of each month officer meeting and 2<sup>nd</sup> Wednesday of each month is the regular business meeting for all members.**

Our main event this month will be our **Installation of Officers held Sunday July 31<sup>st</sup>**. This activity starts with a Corporate Communion at the 8:00am mass. We Knights get together as a group with our families on the left front side of the church (seats are reserved for us) and receive Communion together. If you have shirts or jackets with Knights logos etc. we wear them to show the parish we are Knights. The Corporate Communion is followed with breakfast for those that are interested. This is an event we hold each month that has a fifth Sunday. What will be different this time is that we are combining the Corporate Communion with our Installation of Officers. After mass we will head over to the hall for our breakfast and hold the ceremony of installing our newly elected council officers. I hope to see as many of you as possible there.

Until next month, "Vaya Con Dios"  
Peter A. Morales  
Deputy Grand Knight  
And Program Director

## **FINANCIAL SECRETARY**

Dear Brother Knights,

I want to take this opportunity to congratulate the new officers elected to guide our council into the new Columbian year. I know that the gentlemen selected will perform their duties with enthusiasm and dedication, and I am looking forward to all of the planned activities in the upcoming year.

I have council badges for all of the new members that have joined our ranks. Please see me at the July business meeting to obtain yours.

I just want to remind everyone that we have several events planned for this year and we need all of you to help out when you can.

I hope to see all of you at the monthly business meetings.

## WHAT IS PERSONHOOD?

There are essentially two issues which must be resolved concerning unborn embryos and fetuses. The first is, “Are they human beings?” The second is, “Should they be recognized as persons under the law?” We’ve already established that there is no debate on the first question. It is a matter of plain, objective science. Embryos and fetuses are fully and individually human from the moment of fertilization on. If this were not true, if unborn children were not demonstrably human, there would be no need to even talk about rights of personhood. “Removing a fetus” would be the moral equivalent of pulling a tooth. This, however, is not the case, and so the debate must now enter the political arena.

There is a very real sense in which the need to answer this second question is, in itself, an absurdity. If

you look up the word “person” in your average dictionary (we’ll use Webster’s); you’ll find something like this:

**Person** *n.* A human being. A person, simply put, *is* a human being.

This fact should be enough. The intrinsic humanity of unborn children, by definition, makes them persons and should, therefore, guarantee their protection under the law. For more than thirty years, however, this has not been the case. The situation we are left with is this. In America today, there is a huge and singular group of living human beings who have no protection under the law and are being killed en masse every day. Is that not astounding? It is astounding, but not wholly unprecedented. There have been at least two other instances in American history in which specific groups of human beings were stripped of their rights of personhood as a means of justifying their horrible mistreatment. African-Americans and Native-Americans both felt the brunt of a system which denied their humanity, stripped their personhood and subjected them to horrors beyond measure. While the legal framework that made such injustice possible has now been removed, it remains firmly in place for unborn Americans. There remains one, and only one, group of human beings in the U.S. today for which being human is not enough. The inconvenience of their existence has resulted in a legal loophole of shameful proportions.

What is a person? A person is a human being (unless, of course, you haven’t been born yet, in which case we’ll define personhood in any way possible so as to exclude you, kill you and forget you).

Welcome to America.

Pro-Life Chairman  
Ton Nagle PGK

## **MEMBERSHIP DIRECTOR**

Dear Brothers,

Congratulations to our elected officers for the new Columbian year, we ask that you give them your support during this Columbian New Year. Our council has many upcoming activities that you can help with, and I ask that you help make this coming year a successful year with the support of your time.

This past year we had a great year with our membership goals. Our goal was 21 members which we achieved and we would like to see those 21 members active in our council. As you may know, our quota for this Columbian year is 11, but that may change because our council has grown. If you need recruiting information let me know, and I want to stress one other point about recruiting, please go with your candidate when he takes his Degrees. I often go, and it would be nice to see that candidate's sponsor's accompany him when it comes for taking his Degrees. My Brothers you have to make time just like I do, so please think about your candidate. If you're interested in recruiting and helping let me know.

We can't forget that membership is the life of our council. I have mentioned this before that membership is everyone's business, and the officers can't do all the recruiting, we need your help. Supreme now issues you a medallion of Saint Frere Andre, who became a Saint back in October of last year, when you recruit a new member. Brother Andre is from Canada and was featured in our Columbian magazine.

Every month there is a 1st Degree held at Fr. Kass Council Hall in Buena Park. The 2nd Degree's are held at different councils and some take the summer off, but I often find a place for the candidates to take their Degree. The 3rd Degree's are not held often and when they do hold them, you have to take advantage of the date or else you have to wait another two or three months. We have brothers who need to take their 2nd and 3rd Degree's so if you are one that needs to take your Degree let me know. I will have more information for those that are eligible to take their 4th Degree next month.

Have you asked that potential member to join?

Fraternally

## **RECRUITMENT CHAIRMAN**

July is here and our summer has finally arrived. As the fourth comes around I'd like to take this opportunity to say " God Bless America."

We have a new slate of officers coming in now that elections are over. We need to all get behind them and help them by signing up and participating in the events for the upcoming year. You might try to make adoration on the 13<sup>th</sup> of each month. The hours assigned to our council are from 8:30am of the 13<sup>th</sup> until 6:30am of the 14<sup>th</sup>.

I hope you all had a chance to see the bishop who participated in the St. Irenaeus 50<sup>th</sup> anniversary mass and party. It was a nice get together.

As usual try to get a new member this month. Sometimes it just takes being in the right place at the right time. Just try to stir up a little interest. You just never know who might say yes to an invitation.

As always the best to all and God Bless

Your Recruitment Chairman

## **The New Fraternal Year**

A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I'm sure you have a list of things that you want to accomplish during the coming year. I'm eager to help.

One of these goals is likely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you – transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

What would be helpful to all of us would be an early start on those goals, rather than waiting until the end of the fraternal year. Let's get an early start on award season this year
