Carol (home recovering from surgery) – Bob Marsh's Wife

Reminder – To have anyone placed on this list you can send information to our Grand Knight or directly to our Bulletin Editor.

THE GRAND KNIGHT

Brother Knights:

We enter a new Columbian year with a fresh slate. Because of the reduction of COVID restrictions, we have the opportunity to really reach out and reconnect with our family, friends, parish and community. Last year was a once in a lifetime year, but our Council remained a "Can-do" Council. Can you believe that in the midst of a pandemic, we held a blood drive, held a drive-through fish fry, helped set up a COVID testing station at St I, held a 6-week consecration to St Joseph, helped provide food to needy families twice a month, started up a virtual weekly rosary and raised huge amounts of money for individuals with disabilities and for veterans who need wheelchairs! I've extremely grateful for all your support to make these programs work so well.

July brings a new chance for renewal. We will have officer training on July 24th and installation of officers on Sunday, July 25th in the Hall after 9:45. Please attend if you can to support our new officers. With a new year also come a time to step up to new responsibilities. Please take a look at the back of the newsletter at all our programs and let me or the Deputy Grand Knight know if you'd like to lead or participate in one. Also, especially you new Knights, please let me know of your interests for our Council. We are interested in all ideas for Social, Faith, Family, Community and Life events. The only way we grow is to continue to innovate with new ideas and passion to carry it out. Because of these new ideas, we were able to carry out many successful programs during the last pandemic-hindered year.

Finally, let's reflect on the strong ideas actions that let to our independence in America that we celebrate on July 4th. And remember, with independence comes responsibility to be a beacon of light and Christ's love to our brothers and sisters.

May God richly bless you and your families.

Vivat Jesus, Rick Tkach

1 Thuk TKack Grand Knight

Council #8599 Cell: 714-829-7289

COUNCIL CHAPLAIN'S Corner

True Freedom

The Declaration of Independence tells us that we are "endowed with certain inalienable rights." The Constitution guarantees that the government will protect those rights for all its citizens. These two documents clearly reveal that our nation's freedom depends clearly on a strong Constitution. Our founding fathers wanted us to have individual freedom, but they did not have in mind a lifestyle that would allow us to do whatever we pleased or trample on others freedom in the process. When the Declaration of Independence was approved in Congress they were very much aware that it would only work well in a society that acknowledged God as our Creator who is a God that endows "all people with the right to life, liberty, and the pursuit of happiness."

God is concerned for all people, and the Bible is the only book that tells us that we are guaranteed freedom from sin. It is Gods Declaration, His "Bill of Rights." Our greatest freedom is freedom from sin. Two thousand years ago when the Lord cried out on the cross. "It is finished." That was the believers "declaration of independence." We were set free from the oppression of sin and death. On that cross we were set free for all eternity, if we trust in Him.

So while we are enjoying our backyard barbeques and our fireworks remember the hard fought battles and struggles that has given us this great country. It is because of those sacrifices by our brave men and women that we have the gift of freedom today. Take time to think about just how blessed we are.

Remember I Peter 2:9 You are a chosen generation, a royal priesthood, a holy nation, His own special people.

Romans 8:21 "creation its self will be set free from its bondage of corruption and obtain the freedom of glory being the children of God."

Ephesians 2:8 "For by grace you have been saved through faith. This is not your own doing: it is a gift from God.

As Christians we have freedom over sin and death when we follow Christ. We cannot enjoy true freedom if we refuse to acknowledge God and follow Him as our Lord and Savior.

Deputy Grand Knight & program Director

Brother Knights,

Mass Dispensation has ended I hope to see you all at mass now. Happy 4th of July.

Vivat Jesus

Deputy Grand Knight

Brian Cota

These are the Seminarian's Your Council Supports

Ian Gaston & Hun Mark Jung

We support them financially as well as in our Prayers

FINANCIAL SECRETARY

Dear Brother Knights,

Was great seeing many members at our June Member Meeting, held live in the Church Hall, and also a few on Zoom. Election of Officers for the next Fraternal Year was held. Installation will be held after the 9:45 Mass on July 25th. I hope you can all be there to support next Fraternal Year's officers.

I want to congratulate our new Council Officers as they begin to guide our Council in this new Columbian year. Please give our worthy **Grand Knight, Rick Tkach**, and our worthy **Deputy Grand Knight, Brian Cota** lots of support and assistance with our activities and programs this year as we further develop the **Faith in Action** program model and expand **Leave No Neighbor Behind**. I also want to give a special thanks to **Rolly Arenz, PGK**, for helping us successfully conduct many Business Meetings and Member Meetings on Zoom.

Total membership consists of 126 Associate Members, 97 Insurance Members, 5 Honorary Members, 38 Honorary Life Members, and 6 Inactive Members. The bad news is we have 86 members who still haven't paid their 2021 dues. **If you are having difficulty paying your dues, please contact me or Rick Tkach, GK.** We now have an account funded by generous member donations to provide dues assistance to help all our Council members remain in good standing.

If you haven't met or talked to our Insurance Field Agent, Mark McEniry, please give him a call at 310-480-8281. He is available to meet with you either live or remotely.

Don't forget to check out our Monthly Bulletin on our website http://www.kofc8599.org as it often includes pictures from our recent Council events and to check out our Bulletin Advertisers on page 16. June Bulletin included 4 pages of pictures from our Mother's Day flower sales.

Number86 was drawn for our June Good of the Order Drawing, which was John Mooney, who wasn't present to win the \$120.00 attendance prize. In July, the pot for the drawing will return to \$10.00.

I hope to see you all at our July Member Meeting, live in person.

Vivat Jesus!

Financial Secretary mmercer38@gmail.com

A Message from Your Council..........Recorder Faith Director & Vehicle Donation Chairman

FATHERS DAY DELIGHT

By Frank Faecke

I rarely remember my dreams, but I did remember one this day. In the wee hours of Fathers Day, June 20, 2021, I had a strange one. I awoke first at about 3:30 am thinking about Archbishop Fulton J. Sheen. He was a worldwide television celebrity whom thousands saw and heard in his program called "Life is Worth Living."

After drifting back to sleep, I awakened again just after 5 am. This time I clearly remembered having a conversation with Archbishop Sheen in my dream. I asked him, "Do you remember giving us seminarians a one week retreat at Holy Trinity Seminary near Dallas, Texas when you were 75-years-old?" He just politely smiled at me, and the dream ended.

Why did I have that dream on Fathers Day? I quietly prayed to Archbishop Sheen to help me say words to my sons that a good father should say. As a Catholic I believed in asking saints in Heaven for help. Just as he led thousands of men, women, and children to a peaceful union with God by his humor and simple explanation of beliefs, he could help me.

I got out of bed at 7 am, made coffee, and took my blood pressure. I was alone in early morning prayer and went to mass virtually from Ontario, Canada and received virtual communion. At 9:30 am my wife Julie and daughter Renee and I dined on delicious almond and crème cheese sweet rolls from Costco. At 10:30 am I headed to Cypress College track for my two and one-half mile walk protected by my floppy hat and sunglasses. Only about a dozen others were on the track. The breeze was pleasant, and my MP-3 player lifted my spirits with delightful songs as I circled the track.

After a one hour nap, I took Julie and Renee to join three of our sons in Long Beach, CA for our Fathers Day gathering. Our sons Andrew, Bill, and Patrick just returned from a guy's excursion in San Diego. The six of us were joined by daughter-in-law Ronit, who drove from Glendale with our five and one-half month old grandson Samuel. Samuel greeted us with a smile, and other families dining in the covered outdoor bistro turned heads and smiled at Samuel. We dined and visited for two hours, sharing draft beer and burgers and vegan dishes. Our family ended the day at Patrick's condo in Signal Hill, where we shared Renee's delicious caramel and Oreo cookie ice cream cake.

[Continued on next Page]

Only our son Steven was missing, but sharing and hugging made the Fathers Day special. I gave Bill and Patrick hand-outs on the Rosary and Divine Mercy and promised to continue my daily prayers for them and their loved ones. The generous presents were wonderful, but being in our family's presence was the greatest gift a father could want.

May God bless you all and your families,

Frank J. Fasche

Fetuses Found To Have Memories By Jennifer Harper

They weigh less than 3 pounds, usually, and are perhaps 15 inches long. But they can remember. The unborn have memories, according to medical researchers who used sound and vibration stimulation, combined with sonography, to reveal that the human fetus displays short-term memory from at least 30 weeks gestation - or about two months before they are born. "In addition, results indicated that 34-week-old fetuses are able to store information and retrieve it four weeks later," said the research, which was released Wednesday. Scientists from the Department of Obstetrics and Gynecology at Maastricht University Medical Centre and the University Medical Centre St. Radboud, both in the Netherlands, based their findings on a study of 100 healthy pregnant women and their fetuses with the help of some gentle but precise sensory stimulation. On five occasions during the last eight weeks of their pregnancies, the women received a series of one second buzzes on their bellies with a "fetal vibroacoustic stimulator," a hand-held diagnostic device used to gauge an unborn baby's heart rate and general well-being. The baby's responses - primarily eye, mouth and body movements - were closely monitored over the weeks with ultrasound imaging to gauge "fetal learning" patterns. The researchers found that the babies acclimated themselves to the sounds and vibrations to the point that they no longer bothered to respond – a process known as "habituation."

"The stimulus is then accepted as 'safe' " by the babies, the study said. The team also found that the tiny test subjects actually improved these skills as they grew older, with those who were 34 or 36-weeks old clearly showing that they had become familiar with the hum outside the womb. "The fetus 'remembers' the stimulus and the number of stimuli needed for the fetus to habituate is then much smaller,"

The study said. "It seems like every day we find out marvelous new things about the development of unborn children. We hope that this latest information helps people realize more clearly that the unborn are members of the human family with amazing capabilities and capacities like these built in from the moment of conception," said Randall K. O'Bannon, director of education and research for the National Right to Life Educational Trust Fund.
