THE GRAND KNIGHT

Brother Knights'

Last month on May 12th the church's Hispanic Community held a "Latin American Fiesta" Dinner/Dance in the church hall. I attended this event and observed a full hall and noted that out of the total in attendance that no more than a hand full of attendee's sat the evening out without dancing. Mary Montoya one of the main organizer's of the event showed me a picture of a \$3800.00 check that was presented to the church from the cash raised by the Dinner/Dance. I am happy to report that we your council helped with members in attendance and a donation that was presented to them to help with their expenses.

May is the month that the Knights of Columbus holds it's Annual State Convention. This year it was held in Santa Clara. Your Council Recorder Paulo Morales and myself attended representing our council. We both voted on the new slat of State Officers for the upcoming Columbian Year. During the convention they hold what is called "The Parade of Grand Knights" during which the Grand Knights from each council in the state present funds from their council's that is used to help out Brother Knights in need. I presented a check from your council in the amount of \$865.00.

Through out this last Columbian Year I have asked each of you that chaired various events to complete informational forms explaining the activities that you were chairing to be sent to Supreme. To my knowledge we had not done this in the past. Bob Marsh acted as our "Awards Chairman" coordinating the completing and turning in of the various forms that you chairman completed. Even though we were new with this procedure Bob took on this duty, gathered and turned it in the information as best he could. Because of Bob's efforts and with the reports you chairman completed I am happy to report that our council took 2nd place in the state in "Culture of Life Activities" and came in 10th place for "Membership". This happened because you chairmen turned in your forms that Bob forwarded to Supreme. We could and have done the good works, but without the paperwork only we would know what we have accomplished. A big thank you to Bob for coordinating this procedure. Also to Tom Nagel PGK and Frank Faecke for their efforts in completing the Pro-Life activities paperwork that they chaired and thanks to Lloyd Duronslet PGK and Bobby Velasquez PGK for there effort's in membership and turning in the membership paperwork. And thanks to all of you chairman that helped by completing and turning in the forms pertaining to your activity. The completing of these forms let Supreme know what we did allowing us to get the awards, but without you brothers doing the work we could not have accomplished it, thanks to all of you for your volunteering and work throughout the year.

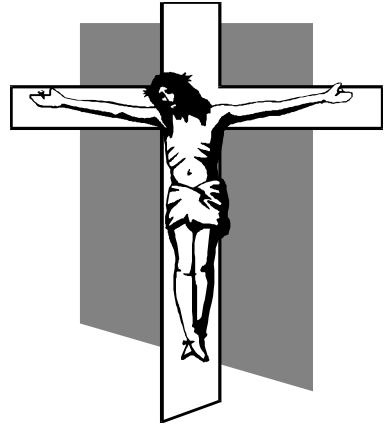

The end of this month I will be turning the gavel to brother Knight Pete Morales, I want to wish him a very rewarding and successful year as your Grand Knight. And I want to thank all of you that helped me these past two years as your Grand Knight, I could not have done it without all of your help and friendship.

Thank You & God Bless
William (Bill) Serb
Grand Knight

COUNCIL CHAPLAIN'S CORNER

A Fathers Prayer

A praying father reflects the love of our heavenly Father. *In Matthew 7-7:11 it reads "Ask and it will be given to you; seek and you will find; knock and it will be opened to you. (8) "For everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened. (9) What man is there among you, if your son asks for bread, will give him a stone? (10) Or if he asks for fish, will he give him a serpent? (11) If you then being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask."* A praying father will ask, seek and knock on behalf of his children knowing and trusting that his heavenly Father will do what is best for his child. *Proverbs 29:15 tells us that a child left to himself brings shame to his family.*

Let's thank God for faithful fathers who never stop praying for their children. Henry Bosh wrote:

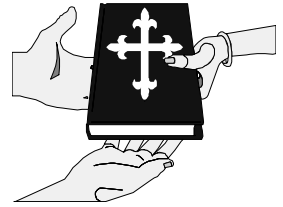

We thank you Lord for fathers true
Who always spoke to us of You;
Their great concern and tender care
Assured us of their constant prayer

Yes, a praying father does reflect the love of our heavenly Father.

PRO-LIFE NOTES

Dear Brother Knights: In the book Voter's Guide for Serious Catholics it has chapter on Abortion. It states the following information.

The church teaches that, regarding a law permitting abortion, it is "never licit to, or to take part in propaganda campaign in favor of such a law, or to vote for it". Abortion is the intentional and direct killing of an innocent human being, and therefore it is a form of homicide. The unborn child is always an innocent party, and no law may permit the taking of his life, even when a child is conceived through rape or incest, the fault is not the child's, who should not suffer death for others' sins.

Let me put it this way. Abortion is intrinsically evil and should never be promoted. The killing of Jews was legal in Germany. The killing of the unborn is legal in this country. That does not make it less evil. You should avoid to the greatest extent possible voting for candidates or parties who endorse or promote intrinsically evil policies. As far as possible, you should vote for those who promote policies in line with moral law.

Again it states in Voter's Guide for Serious Catholics "To the greatest extent possible, Catholics must avoid voting of any candidate or parties who intends to support programs or laws that are intrinsically evil.

MEMBERSHIP DIRECTOR

Dear Brothers,

Congratulations to all the newly elected officers for the incoming Columbian year, I hope you Brother Knights give them your support and that our council has a great year. Thank you to our out going Grand Knight for his two years of service. It does take some time to really grasp this position as you learn so much about how the council functions. But our council can only be strong and active with the members help and participation. There are many programs that you as a member can help in and make us strong. These last couple of years our council has grown in membership and we need these new members to step forward and help in our programs. I know there is one you will be interested in.

During the summer months our recruiting becomes slow and many are going on vacation, but we need to focus on those candidates that we have asked in the past, just maybe they have made up their minds in joining us. If you don't keep asking, they will never join. We are still going to try to hold our own 1st Degree's in our own council and we need Brothers as back-ups in case one member of the team can't be at the Degree. If your worried about memorizing the part, you need not worry because we can now read the parts. If you can memorize the part, better yet, it makes the Degree move faster. The last Degree that we had was done in less than 45 minutes.

At the Chapter meeting it was mentioned that more 3rd Degrees were going to be held through out the Chapter, this way a candidate does not have to wait so long between Degrees. In the past councils have not done many 1st or 2nd Degrees because team members are on vacation during the summer months. We will just have to see if this happens. There are two 3rd Degrees during the month of June and one on the 2nd of June at St.Joachims in Costa Mesa. Candidates check-in at 1:00 PM and the cost is \$18.00. If sideliners stay for dinner the cost is \$12.00. The dress code is coat and tie. The 2nd 3rd Degree will be in San Clemente at Our Lady of Fatima the 24th of June and no Degree information has been available yet. Also if you plan on taking your 4th Degree let me know so we can get your form in.

Fraternally

Knights of Columbus

Insurance Agent

SUPREME OFFICE • COLUMBUS PLAZA • NEW HAVEN CONNECTICUT

Sometimes it is easy to overlook the simplest of things

Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the beneficiary originally designated to receive the proceeds from that policy needs to be updated. If you bought the policy when you were single, for example, you may have named your parents as beneficiaries. If you have since been married, that could be updated to reflect your spouse, and even your children.

Most people list a primary beneficiary – that person is specifically designated as the first in priority to receive policy proceeds. We also encourage the naming of a contingent beneficiary – an alternate person designated to receive policy proceeds, usually in the event that the original beneficiary pre-deceases the insured.

I routinely call all of our policyholders for annual review appointments, usually near the anniversary date of your policy – the date it was originally issued. One of the matters that I'll discuss during this review is the status of your beneficiary designations. If they need updating, and they often do, I can complete the paperwork during that appointment.

I look forward to meeting with each of you.
