# **THE GRAND KNIGHT**

Brother Knights'

On April 2<sup>nd</sup> we cleaned the church for Easter. The crew consisted of Brian Nguyen, Mary Jo Velasco, Liem Nguyen, Mary Griego, Kay Peterson, Frank Faecke, Lloyd Duronslet PGK, Dennis Picket, Fred Navarro, Ken Peterson PGK, Victor Carrillo, George Limar, Cici Cepeda, Tony Cepeda PGK, James Darenbury, Paul (Friend of Cepeda's), Chris Nsor, Ray Richmond, Tom Nagle PGK, Henry Negrete, and Leo Griego. The church staff as well as myself would like to thank all of you that showed up and spent part of your day cleaning the church. You can view a picture of the cleaning crew in our web issue along with other pictures of the crew in action.

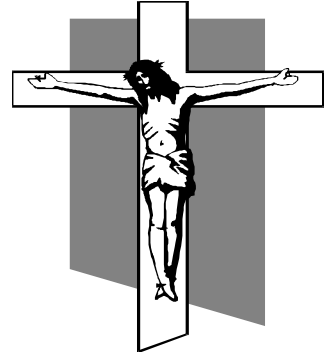

On April 21<sup>st</sup> the annual "Day of Sharing" was held at the Marywood Center. It is a carnival put on by the Knights for I.D. adults and children. Each council in Orange County staff's one or more food, ride or games booths. This year our council staffed two game booths. It is a rare type of event in which these challenged people can have fun together in a setting just for them. Thanks to you brother's Knights, Rolly Arenz, Gilbert Montoya, Ken Peterson and Lloyd Duronslet PGK and Bobby Velasquez PGK who staffed our two booths with me.

April was a busy month for our council, besides the activities mentioned above we held recruitment drives on April 21<sup>st</sup> and 22<sup>nd</sup>, also during that weekend we were assigned Coffee & Donut duty after each mass. We held our annual Golf Tournament and Raffle, which is addressed in a message in this bulletin by our Golf Tournament Chairman Mike Mercer. Mike put in many hours organizing this tournament and deserves a big thank you for that, thanks Mike. Closing out April we held our Corporate Communion on April 29<sup>th</sup> which was followed with breakfast at the Huff's Restaurant. Thanks to John Oliver for setting up the breakfast. These were just some of the activities you and your council was involved in during April.

Thank You & God Bless  
William (Bill) Serb  
Grand Knight

## THE "CHOICE" FAÇADE

Since abortion is impossible to defend on the merits (it kills a living human being, remember), “choice” has become the foundation of its political justification. Abortion advocates don’t want to talk about facts or science, but they love to talk about “choice”. *“This is America... We’re free to choose... You can’t legislate morality!”* Nothing has so clouded and confused the politics of this debate more than the misconstrued application of this one little term. The bottom line is this. Choice is nothing apart from the context to which it is applied. Individual choices are either recognized or restricted based upon the circumstances at hand. That’s how our laws work. You simply cannot talk about choice in isolation.

For thirty years, however, abortion advocates have sought to bestow upon choice a nobility all its own, a nobility it has no claim to. They refuse to be called “pro-abortion”, but they gladly accept the label “pro-choice” (despite the fact that there are countless other issues for which they are decidedly *not* pro-choice). The fact is, laws against rape, murder, assault, theft, speeding, drunk-driving and even smoking are all “anti-choice”. They take away legal protection from one particular choice in order to protect a more foundational freedom. All such laws are “legislating morality”. That’s the only way society can survive. Personal choices that infringe on the life or livelihood of another human being must be legislated against. Therefore, anyone who defends legal abortion by simply arguing that people must be free to make they’re own choices is either ignorant or dishonest.

Furthermore, in almost 99% of all U.S. abortions<sup>1</sup>, the woman having the abortion *chose* to have sexual intercourse in the first place. Therefore, it could just as easily be argued that these women already made their choice when they chose to engage in behavior that often leads to pregnancy. Ultimately, restricting a woman’s right to abortion does *not* restrict a woman’s right to not be pregnant. Abortion, after all, does not keep a woman from being pregnant. Abstinence does that. Abortion simply ends the pregnancy of an already pregnant woman by killing the embryo or fetus living within her.

In the end, we are only free to choose so long as that choice doesn’t kill or harm someone else, and our government exists to take away those choices that do. Nobody argues that a man should be free to choose when the context is sexual assault. What a fool he would be to try and justify rape by saying, “My body, my choice.” Why? Because rape is a violent assault which involves more than just one body. And so is abortion. The heart of the issue is not “choice”. The real question is humanity, and nothing short of anarchy can guarantee the perfect freedom of choice.

Sincerely Your  
Pro-Life Chairman

Thomas Nagle PGK

**INFORMATION ON MEMBERSHIP FROM YOUR.....**

**MEMBERSHIP DIRECTOR**

Dear Brothers,

Thank you to all the Brothers that took part in our councils membership drive on the weekend of April 21st and 22nd. Being part of it is just not sitting around and expecting that potential member to come up to you and sign up. You have to be aggressive and ask him if anyone has ever asked him about joining our organization. Recruiting is everyone's business and the officers can't do it by themselves. It was unfortunate that we were not able to speak at the masses, but we were able to get 16 potential new members.

Recruiting new members is essential to the continued growth and well being of our council and the order. Offering a man membership in the Knights of Columbus gives him the opportunity to improve his own life and his community. Membership allows him to experience the fraternal bond that Knights share while growing closer to his family and faith. Being an active member in our council activities with other Brother Knights makes us strong and gives us a feeling that we belong, which is truly an experience of a lifetime. Don't just say that man got away from me; ask him to be a Knight.

Let me bring you up to date on the Degrees. The 1st Degree, our council will try doing them here in our own council. The next 2<sup>nd</sup> Degree will be on May 27th in Buena Park at Fr. Kass Council. The next 3<sup>rd</sup> Degree and by the way there will be two held in June, one on June 2<sup>nd</sup> at St. Joachims in Costa Mesa and the next one is on June 27th at Our Lady of Fatima in San Clemente. I do not have the time for the candidates to sign in yet as we do not have that information yet. For those that want to take their 2<sup>nd</sup> Degree, you check-in at 1:00 PM. Let me know if you plan on taking any of your Degrees.

Fraternally

Bobby Velasquez PGK, PFN, PDD, DM

### Retirement : Phase Four

Okay, protection and accumulation of savings come first, followed by de-accumulation of those funds while making them last.

The final phase is **care**. At some point, at some age (hopefully a very advanced age), you will need to slow down. You will no longer be able to care for yourself. At that point, you will need to have assets available to provide much needed care, either at home or in a care facility. As you probably know, the cost of care continues to rise. As the nationwide average grows by leaps and bounds monthly care costs thousands (I could give you specific details in a face-to-face meeting). How do you plan to cover these costs? Government programs might not be available, or might require you to spend down your assets leaving your family with little.

The best way to handle the cost of care in the future is to plan ahead today. The Knights of Columbus offers long-term care insurance that can cover at home or facility care costs. And our product is backed by the financial strength of the Order. It has many benefits and our premiums are competitive with any other company.

The Knights of Columbus – the organization you trust – is in a position to help you with every phase. Life insurance, disability insurance, guaranteed retirement plans that turn into guaranteed income streams when you retire, and long term care. There is no reason to go elsewhere as you prepare for the four phases!

I can help you build a plan to reach your goals. Contact me today to learn more.
