COUNCIL CHAPLAIN'S CORNER

A Mothers Heart

This month we celebrate Mother's Day. On this special day set aside to honor our Moms let's take time to pray for the efforts, sacrifices and expressions of love our Mothers have given us over the years. Thank them for molding our hearts and teaching us truth. In *Matthew 23:37* "*How often would I have gathered your children together, even as a hen gathers her chicks under her wing.*" Jesus is talking about how often He has wanted to gather Jerusalem and protect them as a mother hen protects her chicks. He is speaking about the protective heart of a mother.

Some of the blessings that make life so sweet are the Moms who have shared our good times and our bad times. They have brightened many of our days by cheering us on when our enthusiasm seems to be going downhill. They have given comfort and support often without even being asked.

Whether they are still an active part in our life or gone on to eternity, they hold a special place in our hearts. They have made our lives happier and more complete. So if they are but a sweet memory that memory will continue to bless us all the days of our lives. They hold a special place in our hearts and should be remembered in our thoughts and in our prayers always.

Let us also honor the Moms still with us today and give God thanks for giving us a unique woman that nurtures and reflects the complete and pure love of God for His children.

Happy Mothers Day

A MESSAGE FROM YOUR.....

Deputy Grand Knight & program Director

Brother Knights,

Thanks to all that helped at the Golf Tournament and the Day of Sharing. Thanks again to our Golf Tournament Chairman Mike Mercer for all that he does to make it a success. And let's not forget Ken Peterson PGK for his donation of the weeks' vacation on the Big Island of Hawaii. Thanks also goes out to Rick Tkach for Chairing the Day of Sharing event.

Now it's on to Mother's Day. We will be selling flowers all day at each mass. This benefits the La Habra life Center, I'll be calling those of you that signed up to give you a reminder.

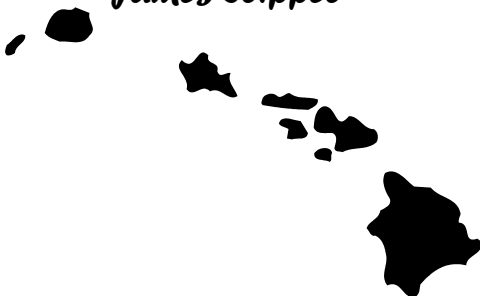

Adoration will be on the 13th as well as our business meeting in the Ed Center. The Knights of Columbus State Convention will be on the 15th, 16th and 17th in San Diego. Along with Grand Knight Pete Morales, I will be attending. I'm told it's quite an event. H.O.P.E. has their food bagging on the 15th and 30th, so be sure to help in any way you can. To finish off the month, we will be holding Corporate Communion on the 31st at the 8:00AM mass.

I would like to take this time to thank Lloyd Duronslet PGK for all the wonderful years and countless hours he has given to our council, and the Knights of Columbus. Our Brother Knights will miss you.

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

A Notice of Intent to Suspend is being sent to those who have not responded to the retention committee concerning their annual dues payments. This is a very unfortunate loss to both the council and you, as a member of this community. If you are leaving as a result of your feeling you do not have the time to commit to the Knights of Columbus, maybe you will consider rejoining at a future date when your circumstances change. If we, as a council, have failed to provide you with the environment you were seeking, please contact any of the officers and express your concerns.

I just want to remind everyone that we have several events planned for this year and we need all of you to help out when you can.

I hope to see all of you at the monthly business meetings.

Why So-Called Safeguards Don't Work: Physician Assisted Suicide

Part 2 of 2

So Called Safeguard: **"The request must be voluntary"**

Why this does not work:

- There is no language in the law prohibiting anyone from pressuring the patient to accede to doctor prescribed suicide. The Oregon Health Plan notified state health insurance recipients Barbara Wagner and Randy Stroup that the treatment they needed to survive would not be covered, but informed them that doctor prescribed death was available and would be covered.⁷
- There is insufficient protection from the improper motives of family or friends who apply pressure. In new proposals, an heir can actually serve as a witness for the request for doctor prescribed death.⁸
- In Oregon, studies and official reports show that people are regularly requesting doctor prescribed suicide because they fear becoming a burden on family and friends.^{9,10}
- Although the law states doctors must give patients "feasible alternatives" to assisted suicide – like pain control, and hospice, there is no requirement these are covered under insurance.

So Called Safeguard: **"The patient must self-administer"**, so it is not euthanasia

Why this does not work:

- Although the statute claims to allow only those who can "self-administer" to request the lethal prescription, many legal observers argue that this is one court challenge away from being overruled. If, for example, there was a person with disabilities who could not swallow, there is an official legal opinion from the Oregon Attorney General's office stating that this is unconstitutionally discriminatory.¹¹ This means that lethal injection might be one legal challenge away. This could be the case in any state that legalized the practice of doctor prescribed death.

So Called Safeguard: **"The state can punish violations"**

Why this does not work:

- The doctor prescribing death is held only to a "good faith standard" which is far lower than the malpractice standard applied to other health providers.¹²
- There is no mechanism to ensure doctors report (they self-report) or comply.
- The underlying reported data in OR and WA is destroyed by the state yearly.¹³
- In OR and WA, the death certificates are falsified by statute, listing only the underlying illness as the cause of death, making the real number of suicides unknowable.¹⁴

INFORMATION ON MEMBERSHIP FROM YOUR

Membership Director

Dear Brothers,

Happy Easter, and hope you all had a Blessed Easter. Yes we are still in the Easter season until Pentecost Sunday. So we rejoice in our Lords resurrection, for this is the day the Lord has made, let rejoice and be glad. Thank you to our Brothers that helped at our council's Fish Fry's' and to those organizations that made it a success.

With just two months left in this Colombian year, I hope you have asked that potential candidate into joining our order. Did you know only 5% of Catholic men are members of the Knights of Columbus, we have an obligation in asking them to join. An active council is a successful council and our principals are just words if we don't live them out. Even if our council recruits one new member, that would be better than none.

We are sad to see one of our councils Charter members relocate to another area, as he has been active in our council for many years and a true Brother who we will miss. To our Past Grand Knight, Lloyd Duronslet and his wife Patricia, we wish you well, and pray that our Lord watch over you, a truly good friend.

Has anyone of you thought about becoming one of your council's officers? There are many of you Brothers that have not stepped up in being a council officer, and now is the time to consider in doing so. I did not select the Family of the Month or the Knight of the month for April as I was coming and going out of town, and I missed the officers and monthly council meeting.

I have not received any degree information and I did not see the ceremonial chairman at the Day of Sharing last month. Now Fr. Kass Council has a 1st Degree every month and that is in Buena Park. A 2nd Degree is held at the same location every other month on the 3rd Sunday of the month and that will be in May. I do not know the date of the next 3rd Degree.

Fraternally

A Message From Your Council.....Recorder & Respect Life, Justice & Peace Chairman

CELEBRATING THE FIFTY DAYS OF EASTER

In my last column, I spoke of the Forty Days of Easter. The Liguorian magazine reminded me that there are actually Fifty Days of Easter! As we reflect on the Resurrection of Jesus in all four Gospels and hear at daily mass about the early church in St. Luke's Acts of the Apostles, let us pray about our roll as Knights.

To paraphrase former President John Kennedy (a knight), ask not what your council can do for you but ask what you can do for your council.

What talents has God given you to share with us? As a Recorder I have been privileged to reflect on the many ways we knights serve St. Irenaeus and the Church at large. Is God calling you to this or another officer position? If you feel that He is, ask one of the Trustees (whose numbers are in this newsletter.) Read the articles in Columbia magazine to get ideas for our council or look at the end pages to see the many works of Knights throughout the world.

By joining in activities of our council even for a few hours you get to socialize with a great group of men and women. It helps you see the good things we can do for the Knights, for our families, and for the People of God!

Yours in Christ,
Frank Faecke, Recorder

Only Having Insurance "Through Work" Doesn't Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It's very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there's a possibility that you (or your spouse) could lose your job or change employers.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having "through work" insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family's actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I'll be happy to meet with you and provide a no-cost needs analysis, so you'll know exactly where you stand.
