# THE GRAND KNIGHT

Brother Knights:

Congratulations to Brother Knight Fred Navarro for winning the Golf Tournament raffle trip to Hawaii. Have a Great Time. I would like to take this time to thank all that helped at the Golf Tournament, and to the golfers from our council, hope you had a good time.

Elections are upon us. The trustees are compiling a list of nominees for the upcoming 2016-2017 Columbian Year. Any Brother Knight can be nominated from the floor during the upcoming meeting. In order for the Knight to be nominated from the floor he needs to have previously been asked if he would accept the nomination, be a council member in good standing, and attend our meetings.

I hope that our May meeting will bring good news on the recruitment weekend that we held in April. We only needed 10 new council members to have The Star Award this year. And it would be nice to award the \$50.00 Gift Cards to the Brother Knights that brought in the most new members. Surly if the Parish can raise over 275,000.00 from just 10% of the parishioners, we can find 10 new members for our council.

God Bless

  
Virgil Smith GK

## Mothers Bran Muffins

What if you had a recipe for Bran Muffins that you have had in the family for years. You have had many complements on them and several people have asked for the recipe, but some when they tried to make them, found they were not nearly as good as yours. When you gave them the recipe if you didn't mention that yours was made with buttermilk they might go home and decide since they don't like buttermilk they would use sweet milk instead. They needed to follow the recipe, don't change the ingredients. In *II Peter 1:5-7* God tells us to "give all diligence, add to your faith virtue, to virtue knowledge, to knowledge self-control, to self-control perseverance, to perseverance godliness, to godliness brotherly kindness and to brotherly kindness love." If we blend His power and His promises into our daily lives and begin living and believing them we have the beginning of a great recipe for life. A life that will eventually lead us into the eternal kingdom of God. But like the buttermilk we need to put all the right ingredients into the mix. *II Peter 1:8* "For if you possess these qualities in increasing measure, they will keep you from being ineffective and unproductive in your knowledge of our Lord Jesus Christ." Now if you leave out or change any of the ingredients *II Peter 1:9* tells us what will happen. "But if you do not have them (all the ingredients) you are near sighted and blind and you have forgotten He has cleansed you from your past sins." In *II Peter 1:10-11* we are given the end result "For if you do these things you will not fall and you will receive a rich welcome into the eternal kingdom of our Lord and Savior Jesus Christ". If you cultivate these qualities with His divine power and precious promises and love you will have a recipe that will not fail.

*Happy Mother's Day*

**A Message From Your Council.....Recorder  
& Respect Life, Justice & Peace Chairman**

**HAIL MARY**

May is Mary's month. As we all know, she is the most wonderful mother who ever lived, and Jesus gave her to us as our mother!

Since we began praying the Divine Mercy Chaplet before council meetings, I want to share St. John Paul II's insights into the power of this prayer and also his relationship with Mary.

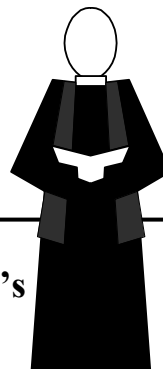

Father Michael Gaitley tells us in his books that the Pope traveled to Fatima one year after being shot in St. Peter's Square to give thanks for God's mercy and for the Mother of Christ's protection. He firmly believed that she guided the bullet a tiny distance from his artery to keep him from bleeding to death on the way to the hospital.

The Pope said Divine Mercy is the limit imposed by God on evil, the love of God in the face of evil. It is symbolized by the pierced side of Christ and the blood (red rays) and water (white rays) that gushed forth from His side. The modern Divine Mercy as prayed in the chaplet offers atonement and implores mercy for our sins and those of the whole world. As we gaze on the image of Divine Mercy (provided by Brother Walt) let us reflect on the power of this prayer! What greater protection and guidance could our council have?

Yours in Christ,

*Frank J. Faেকে*

## INFORMATION ON MEMBERSHIP FROM YOUR .....

# Membership Director

Greeting fellow Knights,

Our membership drive officially began April 30, 2016. This point reflects the beginning of our efforts in recruiting new members.

Our obligation to invite others isn't simply limited to a single day where we man a booth. Our efforts must continue throughout the year. As our parish continues to invite new families and continues to grow, the same should be said about our organization.

In reaching out to friends, family, neighbors, parishioners, etc., always keep in mind what makes us unique and makes us strong, which is a lifelong fellowship that binds us together throughout the different stages of our lives. Of course there are many other benefits of being a Knight, but that enduring comradeship cannot be understated.

So as we continue with our efforts to grow our organization here at Saint Irenaeus, reflect upon those aspects of the Knights that keep you active. With that in mind, let's get out there and promote an organization and a Church we all know and

## REFLECTIONS ON FORMING A CATHOLIC CONSCIOUS

Dear Brother Knights,

It's commonly accepted that following the Ten Commandments is not optional. Jesus on many occasions demanded we follow the Commandments.

It is well understood by most Catholics, that Jesus founded the church and gave it authority to teach truth regarding faith and morals. When it comes to political issues, it makes sense that most policy can be debated as to what's best for the common good. There seems to be a lot of confusion and a disconnect among a lot of Catholics, when it comes to some principles that the church has always taught, that are not suppose to be negotiable, namely life issues. Like abortion on demand, traditional marriage between a man and woman, assisted suicide, cloning and embryonic stem cell research. What I find hard to understand is when Catholics who know and understand this still disconnect from this when then they vote. In good conscience we are all obligated to form our thinking in line with the churches infallible teachings.

Questions, are we really doing all we can to inform our conscience in line with what the magisterium of the Catholic Church teachings. On these principles politics should not get in the way. What do you think?

The Knights of Columbus national leadership has always supported the church's teaching, when it comes to faith and morals.

Sincerely Yours

Thomas Nagle PGK  
Pro-Life Chairman

## *We Stand Strong On Ethical Ground*

Some people believe that ethics in business is a contradiction in terms. They think that in order to be profitable, a company and its leaders must abandon morality and embrace the dark, greedy side that they see so often in the news and in movies. At the Knights of Columbus, we know this isn't true. A business can be both ethical and successful. We are.

As a Catholic organization, we understand the value and importance of our core beliefs and the original mission of Venerable Father Michael J. McGivney. In fact, much of the strength and financial security we provide to members and their families can be attributed to our ethical, moral standards.

More than 96 percent of Knights who buy our life insurance keep it, year in and year out. The Order takes this commitment to our members very seriously. This means carefully planning when it comes time to invest. Our professional staff researches all transactions to insure that they fall in line with Catholic values. If a transaction makes them uncomfortable, they don't make it.

"We exclude any company engaged in activity that conflicts with Catholic moral teaching: companies directly involved in abortion, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of these, or pornography," said Supreme Knight Carl Anderson. "There are many companies in the pharmaceutical and communications industries that would undoubtedly provide excellent returns for us, but which are not in our portfolio because they engage in research and development or programming in ways that violate the sanctity or dignity of human life."

In the end, the Knights of Columbus investment strategy is motivated by morality, not money. Yet, each year we remain profitable, increase our assets and stay dedicated to this vision that will keep the Order financially sound for generations to come.

But don't just take our word for it. In 2014 and 2015, the Knights of Columbus was named a "World's Most Ethical Company" by the Ethisphere Institute. We were one of only two life insurance companies to earn the honor.

"Faithful Catholics have choices when buying life insurance," said the Supreme Knight. "But they know that at the Knights of Columbus their policy is supplied by an insurer that shares their moral and ethical values and is guided in all of its investment and sales practices by those values."
