# THE GRAND KNIGHT

Brothers:

For those of you who were gone this summer, Welcome Home! It is always nice to travel and see new places, old friends and family, but it is awesome when you come home! For us with kids, school is back in session and things are humming towards the fall.

September was a blur, we had our monthly business meeting in a less than desirable location, but, the parish is getting busy. Having a very active parishioner base is a double ended sword, as a result, the parish grounds get real busy. Thanks all of you for your patience and understanding.

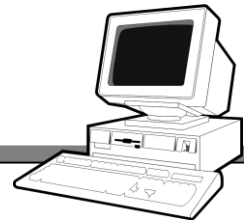

We had another stellar turn out for the Blood Drive! The hall was filled to capacity and it looks like we did our share in keeping the local blood supply full. I would like to thank Rolly Arenz for doing a fantastic job in organizing, staffing and managing the entire process, good job Rolly!

September also brought the annual Oktoberfest. This is an annual event hosted by the parish as a community event. Meaning that the parish does not profit from the event, but rather breaks even. Oktoberfest has and will always be a parish community/social event. As Knights we are asked to help in different support roles. These roles may differ and include assembly, serving and tear down. It is not always easy for all of us to be there, sometimes it's even harder to tear down after you tossed back a few. For all those who attended, I am sure that you had a great time. For all those who worked, myself and your fellow parishioners are grateful. A lot of work is done behind the scenes, it is important to remember that as Knight's we do things for the greater glory, to help others and those in need, not for the glory. I'd like to thank Joe Bogdanovich for leading the team, you did a great job, and we really appreciated it. For those of you who worked it, I really appreciate your time, you made an impact, and for this I am grateful.

I hope to see all of you at the meeting!

Vivat Jesus!

Peter A. Morales

# COUNCIL CHAPLAIN'S CORNER

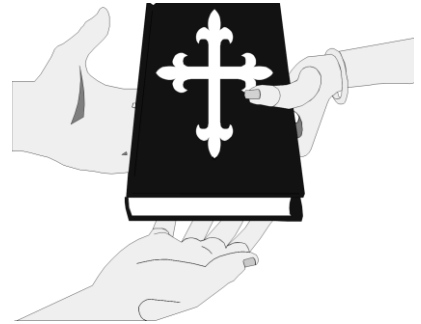

## Older But Better

No matter how hard we try, none of us can hold back the natural process of aging. We can exercise, eat right, use tons of moisturizer and lotion but the ageing process keeps right on going. *II Corinthians 4:16 Even though our outward man is perishing, yet the inward man is being renewed day by day.*

Even though our outward man is perishing our inward man can be renewed daily. If we are walking with God we will be growing spiritually. Through the constant renewal of our spirit (v.16) we grow more prepared to be with God. Physical age will slow us down but spiritual age will build us up. If you're walking with Christ you're not just getting older you're getting better. *II Corinthians 5:1 For we know that if our earthly house, this tent is destroyed, we have a building from God, a house not made with hands, eternal in the heavens. II Corinthians 4:i8 while we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things that are not seen are eternal.*

**A MESSAGE FROM YOUR.....**

**Deputy Grand Knight  
& program Director**

Brother Knights,

October is upon us. With the Oktoberfest behind us, it's on to the Holiday Season.

Our next meeting is the 8<sup>th</sup> of October, that's only ten days away from our big event of the Year, our 30<sup>th</sup> Anniversary Dinner and Dance. Plan on coming to this month's meeting and get all the details about the event. I hope all of you that can will plan on attending. It's sure to be great fun for all you Knights and your wife or girlfriend. You should have gotten the invitations by now and sent back You're R.S.V.P. If not, please get it in the mail ASAP. As you know, it is a Country Theme, and that means the country Two Step and Line Dancing. And if you don't know how to do that, we will have an instructor there to teach you. So, we are looking forward to seeing you there.

God Bless  
Virgil Smith

## COMPETING RIGHTS

Politically speaking, abortion is an issue that involves competing rights. On the one hand, you have the mother's right not to be pregnant. On the other hand, you have the baby's right not to be killed. The question that must be answered is this. Which right is more fundamental? Which right has a greater claim? Abortion advocates argue that outlawing abortion would, in essence, elevate the rights of the unborn over and above those of the mother. "How can you make a fetus more important than a grown woman?", they might ask. In reality, outlawing abortion wouldn't be giving unborn children more rights, it would simply gain for them the one most fundamental right that no one can live without, the right to life. If a baby is not to be aborted, then the pregnant mother must remain pregnant. This will also require of her sickness, fatigue, reduced mobility, an enlarged body, and a new wardrobe. Fortunately, it is not a permanent condition. On the flip side, for a pregnant woman not to be pregnant, her child must be killed (unless she is past her 21st week of pregnancy, in which case the baby may well survive outside the womb). Abortion costs the unborn child his or her very life and it is a thoroughly permanent condition. This is what's at stake, both for the child and for the mother. It is not an issue of who is more important, but rather who has more on the line.

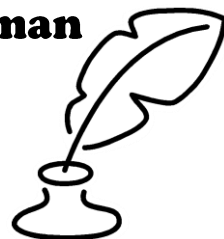

Any time the rights of two people stand in opposition to each other, the government must protect the more fundamental right. Let's consider crosswalks. A car is driving down the street while a person is crossing the street. The law requires the driver of that car to slow down and stop (giving up their right to drive where they want, when they want, and at what speed they want) so that the pedestrian may cross the street in front of him. Why? Why must the driver temporarily give up his right to drive down the street just because someone else is walking across the street? Why is the right of the man on foot upheld while the right of the man in the car is denied? It is not because the pedestrian is more valuable than the driver but rather because, if the driver doesn't stop, the pedestrian will likely be killed. In order for the driver to proceed down the street at full speed, at that moment, it will cost the pedestrian his life. In order for the pedestrian to finish crossing the street, at that moment, it will cost the driver a few minutes of drive time.

Obviously, for a woman to remain pregnant, she gives up far more than a few minutes of drive time, but she gives up far less than the baby who would otherwise be killed. This is what it all comes down to. Abortion permanently takes away the life of the unborn. Pregnancy temporarily takes away some of the freedoms of the mother. Since there is far more at stake for the child, the more fundamental right to life must be upheld.

**Sick & Distressed Representative**

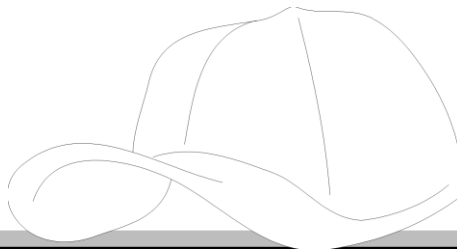

Brother Knights,

In addition to my council duties I also am your Sick & Distressed Representative. In that regard I am informing you with this information.

Do you know a brother knight or his family member who needs our prayers for healing, comfort, & consolation? It is my job to relay that information to our council. As you know, we carry the names of brother knights, their relatives and friends in each monthly bulletin. These names come from our monthly council meetings. Brother Bill Serb, Bulletin Editor, prints these names that we pray for at the end of each meeting. We perform spiritual works of mercy by praying for the consolation of these souls and their families. We do corporal works of mercy by visiting the sick. If you cannot go to our monthly meeting, let me or another officer know for whom we should pray. Thanks and God bless.

Yours in Christ,  
Frank Faecke, Recorder

**INFORMATION ON MEMBERSHIP FROM YOUR .....**

## **Membership Director**

Brothers,

Well, summer really went by fast and fall is here, and our officers are finely all back from their vacations. We can now get our council affairs in motion. One thing our council has not done these past few years is selecting a family of the month and a Brother Knight of the month. I have volunteered to be the chairman and I will be selecting one of you Brother Knights in each of these programs that our council should be doing. I will be looking and asking questions on how your family is active in our parish, council and community pertaining to both programs. If you are selected for the family of the month, your name will be submitted to the State Council who in turn sends it to our Supreme Council. If Supreme Council draws your name, they send you an attractive statue of the Holy Family. Our council has had a few members who have had their name's drawn, will you be one of them?

For the month of September our council added three new members, so congratulations to Brothers, Jimmie Soto, Richard Morin, and Joseph Warner. Welcome to our council. They took their 1st Degree on September 15th at Fr. Kass Council in Buena Park. Introduce yourself to them at our next meeting. With sadness our council lost one of our Charter members on the 14th of August. Brother Ken Stone was called to his eternal reward and we need to have a bible signed and given to his family. When our council ran a Christmas Tree Lot, Ken was always delivering the trees for us. May he rest in peace.

Our council in planning our 30th Anniversary celebration we need you to respond to your invitation. Hope to see you there. Now that summer has pasted us by, I hope you have been trying to recruit a new candidate. I know you are going to say, there he goes on again about recruiting, but getting new members is the life of a council. Your council officers can't do all the recruiting. Getting new members makes us active and helping those who need help in our community. The next 1st Degree will be held at Fr. Kass Council on October 20th, candidates check-in at 7:00pm. A 2nd Degree will be held on November 23rd at Fr. Kass. If you remember we changed our by-laws about our fees for new members. It is \$20 for new members so please tell your candidate. Have you recruited anyone?

Fraternally

## **Cover Two People With One Policy**

In this month's article, I want to discuss a type of life insurance product with which you might not be familiar. This product offers a way for you to help your heirs meet estate settlement costs without subtracting from the total value of your estate. After all, you've worked hard to accumulate wealth or build a business over the years and you want to pass along that value to your family, charity or church in its entirety.

To this end, the Knights of Columbus designed a Survivorship Universal Life (SUL) product. SUL is a second to die, or survivorship, life insurance program that covers two people, (usually husband and wife) and the death benefit is paid upon the death of the surviving second person — which is normally when an estate would be taxed. This can be an important part of an estate plan.

Keep in mind, an SUL policy is one policy that covers two people. This has advantages, including a lower cost than two individual life insurance policies. It is a great option for a married couple with children. It can provide funds for the legal guardians chosen to care for children in the event both parents die, which is especially attractive to parents of a special needs child.

If you have a child or children, you need life insurance. If you intend to pass on any property or wealth, you need life insurance. A SUL policy is one option that we can discuss when we meet for an insurance review.
