THE GRAND KNIGHT

Brother Knights,

We are now in the Fall Season, Thanksgiving and Christmas is around the corner. Time for families to get together. As members of the Knights of Columbus, family is important to us. It is our basic community unit.

We had a successful Blood Drive, we collected 48 units of blood which will save 144 lives. I thank you for all your help during the signups and the day of the collection. Also thank you for all of your help during our Pancake Breakfast which benefit all Intellectually Disabled in our community.

Please welcome our new brother Knight Robert Moya who completed the Admission Degree (1st Degree) last September 18, 2017.

Our goal this fraternal year is 14 new members. October 14 and 15 is our recruitment drive, we need all brother Knights help. We also need to reach out to our brother knights who has not been active and attended our meetings and activities, talk them into attending one of our activities and meetings.

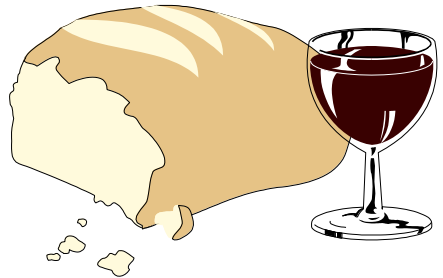

Pray for our successful recruitment drive and the growth of our council.

God Bless Us All,

Rolly Arenz

Grand Knight

Corporate Communion

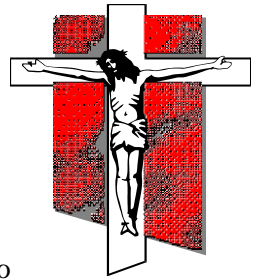

October is another month with five Sundays. Which means “Corporate Communion & Breakfast”. Our last Corporate Communion we had a great turn out. Thanks to everyone. What a great way to show off to the parish what a great organization we have. The Knights and their spouses, lady friends and family sit on the front left side of the church together. We should wear if possible shirt or jacket with our logo on it.

After mass we get together for breakfast at the Elk’s at 12507 Carson Street. The Elk’s serves us a reasonably priced Champagne breakfast of our choose (example \$.75 a cup of coffee with free refills.

October 29th is the fifth Sunday of the month and our council will be holding a “Corporate Communion”.

COUNCIL CHAPLAIN'S CORNER

The Lamb of God

In light of the recent shootings in Las Vegas I have a poem I would like to share. I know it's been around for a while but just wanted to reiterate the importance of keeping Christ in the schools and teaching our children to pray. Prayer is a powerful weapon and tool. We all need both in our daily lives. Unfortunately in today's world the schools are trying to take that away from our children. As we know some schools have already been successful in doing so. Pray for our children. They need to have Christ in their lives and they need to know the importance of prayer and the power in prayer.

Mary had a little lamb,
His fleece was white as snow.
And everywhere that Mary went
The lamb was sure to go
He followed her to school each day
Was not against the rule
He made the children laugh and play
To have the lamb at school.
And then the rules all changed one day
Illegal it became
To bring the Lamb of God to school
Or even speak His name.
Every day got worse and worse
And days turned into years
Instead of hearing children laugh
We heard gunshots and their tears
What must we do to stop the crime
That's in our schools today?
Let's let the Lamb come back to school
And teach our kids to pray.

A MESSAGE FROM YOUR.....

Deputy Grand Knight & program Director

Brother Knights,

District Deputy Bill Davey attended our September 13th business meeting. He stated that the main theme for the Knights of Columbus this year is, "Building the Domestic Church".

This is what I found in some Knights of Columbus web sites pertaining to this subject:

Knights of Columbus has always been an organization dedicated to the well-being and support of Catholic family life. The family is the first and primary place where we experience and are formed in our Catholic faith. By building upon our current programs and activities, the Knights of Columbus continues to promote the family as a "domestic church" where husbands and wives, parent and children, grow in their knowledge and practice of the Catholic Faith. In order to perform its important mission of evangelization, each family needs to find support in the sacramental life of the parish.

"It is in the parish that one becomes engaged with the Church community, learns how to become a disciple of Christ, is nurtured by Scripture, is nourished by the sacraments, and ultimately becomes an evangelizer. Successful evangelization and catechetical initiatives must be focused on the parish."

Bill Schafer also attended our September Business Meeting and he addressed the Intellectual Disabilities Fund (ID) Drive. The proceeds for our October 1st Pancake Breakfast is going to the (ID) Drive. The Columbian Foundation Supporting People with Intellectual Disabilities is dedicated to improving the quality of life, learning, and main stream employment for children, teens, and adults with Intellectual Disabilities. The Foundation will accomplish this mission by raising funds to create a variety of state-wide programs such as education in residential care facilities, the Special Olympics, on the job training and summer camps for people of all ages, regardless of race, creed, color, or gender.

Just a reminder we are having a Pancake Breakfast on October 1st, a Knights of Columbus Recruitment Drive October 14th and 15th, Oktoberfest October 14th, and Corporate Communion on October 29th at the 8:00 AM mass.

God Bless
George del Hierro

Deputy Grand Night

FROM THE DESK OF THE

FINANCIAL SECRETARY

Dear Brother Knights,

If any of you are missing Name Badges, please see me at the monthly Business Meeting. I have a couple boxes full of badges that have never been picked up. In the event you have lost or misplaced your Badge, replacements are available at a cost of \$10.00, or if you would like a Name Badge with a magnetic backing, instead of slip on, they are available at a cost of \$13.00.

Do you know of a Brother Knight who may have moved in the past year? Please let me know because they may not have sent me a note with their updated address and phone number, and they won't be receiving our monthly Bulletin or other important information from Supreme, including their copy of Columbia magazine.

You can mail your update information to:

Mike Mercer
5212 Myra Ave.
Cypress, CA 90630

or you can email the information to me at mmercer38@gmail.com

We still have 68 members delinquent in getting their 2017 Dues paid. Second notices were mailed out in July, so by now you should have received a call from our Retention Committee, and you will be receiving a Knight Alert letter if your account has not been cleared.

If you are having financial hardships, please contact me so we can help out so you can remain a member in good standing.

I hope to see you all at our October Meeting, and at our Pancake Breakfasts to support our ID Drive. Every Brothers help is needed to make this a success to support this very worthy cause.

**A Message From Your Council.....Recorder
& Respect Life, Justice & Peace Chairman**

HALLOWEEN

Halloween (a contraction of All Hallows' Evening) is celebrated in many countries on October 31 (Wikipedia.) It begins a three day observance to remember the dead, including saints (hallows), martyrs, and all the faithful departed. Many believe it came from Celtic harvest festivals that may have pagan roots, especially the Gaelic festival Samhain, which was Christianized as Halloween, or it may have been solely a Christian holiday. In many parts of the world, Christian religious observe All Hallows' Eve by going to church services and lighting candles on the graves of the dead. Some Christians even abstain from meat on All Hallows' Eve. We know the commercial observances well.

A priest on Catholic radio recommended not overdoing Halloween. After all, November 1 is All Saints Day, and November 2 is All Souls Day. I recommend going to the November 2 All Souls remembrance at St. Irenaeus in which prayers and mass are said for the over 100 parishioners who have died during the year. (Knights of Columbus serve every funeral.) Photographs are shown on the overhead screens of the deceased, and family members receive a large candle to burn in front of the altar at mass and to take home afterward as a special remembrance. It is truly a moving experience!

The feast of All Hallows', on its current date in the Western Church, may be traced to Pope Gregory III's (731-741) founding of an oratory in St. Peter's for the relics "of the holy apostles and of all saints, martyrs, and confessors." By the end of the 12th century they had become holy days of obligation across Europe and involved such traditions as ringing church bells for the souls in purgatory. "Souling," the custom of baking and sharing soul cakes for all Christian souls, has been suggested as the origin of trick-or-treating. It dates back to at least the 15th century. It is claimed that in the Middle Ages, churches that were too poor to display the relics of martyred saints at Allhallowtide let parishioners dress up as saints instead.

Historians write that Anglican colonists in the Southern United States and Catholic colonists in Maryland "recognized All Hallows Eve in their church calendars." It was not until mass Irish and Scottish immigration in the 19th century that Halloween became a major holiday in North America. However you celebrate it, let us pray for our beloved dead and ask our saints (hallows) to intercede for us. Happy Halloween!

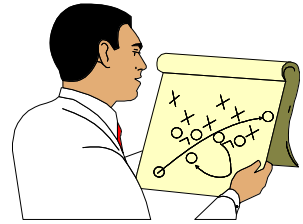

Love and prayers,

Frank J. Faেকে

PRO-LIFE Notes •••••

The new trend for Planned Parenthood supporters is to post on Facebook "I'm proud of my abortion". I know some women who have posted this. Some of these women are friends.

I really have to question when they say that their abortion was a non-event in their life. They say that the abortion meant nothing and that the abortion had no effect on them.

From the outside looking in, I believe it has affected them. These women know how old they were when they had their abortion... They know how old the aborted child would have been today... They know what month that child would have been born... And they know how far along in their pregnancy when they had the abortion...

Does that really sound like an event in their life that meant nothing to them? If it truly had no effect on them, why do they remember every Last Detail? Why do they keep track of the deceased child's age? To me it sounds like an event that they'll never forget for their entire life.

INFORMATION ON MEMBERSHIP FROM YOUR

Membership Director

Greetings gentlemen,

We have our recruitment drive scheduled for the weekend of October 14-15. We need as many people as possible to hand out flyers and invite people to get more information from our information booth.

I know this takes everyone out of their comfort zone. We don't ask much of you. All you need to do is to hand out a flyer to the men exiting Mass and just comment that we have an information booth around the corner. We are not asking that you corner people. We just need a presence. K of C gear is ideal.

We will be playing a short clip before Mass and handing out flyers after. Easy peezy. Now, PLEASE REPLY indicating which Mass times you can be present out in the patio to assist. Some of you have indicated in a sign-up sheet which times they will help. Those who haven't indicated Mass times please help!!!

“Your Shield For Life”
Protecting Widows – A Founding Goal

Only Having Insurance “Through Work” Doesn’t Work

Do you know anyone whose life or career has drastically changed during these years of economic downturn? It’s very likely that someone in your immediate or extended family or group of friends is facing financial uncertainty. Maybe there’s a possibility that you (or your spouse) could change employers, or even lose your job.

Too many people have often relied on group term life insurance as their only safety net. Often, this insurance is an employee benefit provided at low or no cost. The existence of this coverage might convince someone that personally-owned life insurance is not necessary.

But only having “through work” insurance can leave you and your family vulnerable. Most group life insurance policies are limited in amount, which may be tied to salary or some other benchmark. These numbers are often capped, and this cap may be dangerously low when compared to your family’s actual needs. In fact, a detailed needs analysis that evaluates your specific situation, will likely show that any employer-provided coverage falls short.

In addition, the amount of group insurance offered is almost always reduced, sometimes dramatically, when you retire. You could one day find yourself without coverage, and if your health has changed (which it will as you age), you might also find yourself unable to secure individual protection. At the very least, it will definitely be more expensive.

While group life insurance can help, it does not replace the need for individually owned life insurance. I’ll be happy to meet with you and provide a no-cost needs analysis, so you’ll know exactly where you stand.
