THE GRAND KNIGHT

Dear Brother Knights,

A big thank you to all the brother Knights who came out and helped at the Fiesta booth. We did well and sold out on everything in our booth. In fact, this would not have been possible without your help.

As you know, our next great event is the ID Drive taking place on Saturday October 7, and Sunday October 8, before and after all the masses. Again, I am appealing to all brother knights to sign up and help at one or two of the masses. Remember that this is a fundraising event for children and adults with special needs. Please endeavor to commit yourself at least once a month in helping with our activities. We keep having the same four or five brother knights who always come to help at every event.

Also, the Orange County Walk for Life is on Saturday October 7, at Christ Cathedral from 7AM to 1 PM. For more information go to: <https://ockc.net/walk-for-life-october-7-2023-2/> Please email or text me if you are interested in participating in the procession.

Mark your calendar for the following upcoming events:

1. October 14: St. Irenaeus Oktoberfest. Knights will be needed to help serve beer.
2. October 29: Corporate Communion at 8 AM. Followed by Breakfast at the Lakewood Elks Lodge in Hawaiian Gardens

Remain blessed,
Vivat Jesus,
Chris Nsor

COUNCIL CHAPLAIN'S Corner

The Power of Prayer

During World War II a soldier was separated from his unit on an island. The fighting had been intense, and in the smoke and crossfire he had lost sight of everyone. Alone in the jungle he could hear enemy soldiers coming in his direction. Scrambling for cover, he found his way up a high ridge to several small caves in the rocks. Quickly he crawled inside one of them. Although safe for the moment, he knew that once the enemy soldiers swept up the ridge, they would search all the caves and he would be killed. As he quietly waited he prayed, "Lord I ask that you please spare my life, but whatever happens I place myself in your hands, I love you and entrust my life to you. Amen" He listened as the enemy drew closer and closer. "Well Lord I guess I'm not going to get out of this one." Suddenly he saw a very large spider come out of the rock and begin to spin a web over the mouth of the cave." He smiled to himself and thought "well you needed a brick wall and God sent you a spider. He does have a sense of humor, "and with that he started getting ready for his last stand. As the enemy drew closer he watched from the darkness of his hide out, he could see them searching one cave after another. As one soldier arrived in front of his hide-a-way he yelled back to the others "Don't worry about this one, it's completely closed off by a huge spider web. If anyone tried to get in there the web would have been broken." To his amazement they just glanced at the entrance and walked on by. "Forgive me Lord he prayed for not trusting you to know what I needed most. I would never have thought that a spider web would have been far better than a brick wall."

Never underestimate the power of prayer.

Psalms 66:19 "But God has surely listened and has heard my prayer."

I Thessalonians 5:16 rejoice always, pray continually, give thanks in all circumstances for this is Gods will for you in Christ Jesus.

FINANCIAL SECRETARY

Dear Brother Knights,

First, I want to congratulate **Jim Bowler**, whose name was drawn at our September Membership Meeting. Unfortunately, Jim wasn't present to win the \$30, so next month's drawing will be for **\$40**. Be there for a chance to win.

It was great to see many of you at our September Member Meeting. We had a great dinner with lasagna and bread sticks from **Dominic's Ristorante Italiano**. Thanks to all the members who donated \$63.00 to our dinner fund. This will help us supply great dinners before all the Member Meetings.

Join us on at our next Member Meeting on Wednesday, October 11th. "Doors" open at 6:30. Look for your email invitation link from **Knights of Columbus** 2 or 3 days prior to the meeting. If you don't see it, please check your spam folder, or contact any of the officers for login details. Also, be sure to update your contact information whenever it changes so we can keep in contact, and you don't miss out on upcoming opportunities and Council events. If you aren't receiving Council Email from "Knights of Columbus", we don't have your current info.

I encourage all brothers to take the time to meet our Insurance Advisor, Brother Mark McEniry, to learn about all the benefits and programs available to members of the Knights of Columbus. His phone number is (562) 682-3394 cell, (582) 493-3394 office and Email is: mark.mcinery@kofc.org **Knights of Columbus Disaster Relief** (800-694-5713 or www.kofc.org/disaster) assists disaster victims, with 100% of donations directly benefiting disaster victims, often partnering with local Councils. Many Councils in California are very involved in relief efforts.

I hope to see you all at our October Meeting, especially our new brothers who have joined our Council this past year.

Vivat Jesus!

From Your Council.....Chancellor

Dear Brothers,

We are several months into the new Fraternal year and it feels like a whirlwind in many respects. My thanks again for all the support on the Pancake breakfast and Fiesta food booth. As you serve next to your brothers and get to know these men a little better, I hope that you are experiencing the joy of Christ as you serve, and perhaps even experience the peace of Christ as you strengthen friendships.

To me the sign of a dynamic council is that we are able to competently handle just about any program or service need that comes our way because we trust that we will be working alongside men that we call brothers.

The Fiesta Food booth was an intense weekend. As a team we managed our resources very well and had minimal waste of our product. The booth was staffed well nearly the entire time. I believe we just had a few shifts which were a little light on coverage. We had some brothers that we have not seen in a while come join us and it was wonderful to see you.

As we move into the winter months, I would like to know what you would like from the Council that you need more of. What would you like to do as we head into Advent and Christmastide? How would you like to strengthen your spirituality? How would you like to deepen your faith? How would you like to serve?

Knights have a program calendar with the regular events that we hold. In between these events we can calendar events that are meaningful to your life as a Knight. In order to include these events we need to be able to calendar them or the likelihood is that the opportunity will pass by.

Don't let the fear of being asked to chair an event that interests you keep you from mentioning something that you would like the council to do. The Lord will provide.

My dear brothers, when I reflect upon the grace that God has given me in allowing me to serve next to men such as yourselves, my heart swells with joy to our Lord. May the peace of the Lord Jesus Christ be with you always.

Vivat Jesus!

HELPERS

By Frank Faecke

[Continued From Last Month]

Another doctor in Fort Worth (name not recalled) had me walk to his office one mile from my home three days in a row to take my blood pressure. The walks enabled him to declare my blood pressure was normal so I could pass my physical to work for the F.B.I. in May, 1973.

When I was in my 50s, I developed another hernia, which kept me from walking long distances in downtown Los Angeles to conduct Federal background investigations. The surgeon (name unknown) allowed me to stay overnight at Anaheim Hospital. It was a bad idea! A Mrs. Harris in the room next to mine screamed out each hour complaining of pain. I surely was glad to go home to recover the next day. The supervisory investigator who was my boss had offered to do the surgery with his jack-knife. I declined. He wasn't a great supervisor, much less a surgeon!

Another doctor named Dr. Z was a good doctor of osteopathy who did my yearly physicals. I decided to change doctors after several years. He assigned a young female to clean excessive wax from my ears with forced water. She had never done the procedure before! It was painful and could have burst my eardrums according to my next doctor, Dr. G of St. Jude's Medical. The last straw with Dr. Z was when the bulb on his stethoscope burst because it was so old!

I have offered daily prayers for my friends at St. Irenaeus, especially a particular semi-retired Orthopaedic surgeon and his retired nurse wife. She referred me to him, who thought my right leg pain suffered as an usher at Angels Stadium as a hip problem. Dr. Karen Evensen of St. Jude's Medical showed me an X-ray of my missing right hip cartilage. She performed excellent hip replacement surgery at St. Jude Hospital almost eight years ago. A host of therapists, including Christine (former classmate of my son Patrick) have caused me to be pain free! At least one therapist told me Dr. Evensen is a perfectionist.

During the two years of COVID, nurses from St. Jude's and the Wal-Mart pharmacist Alex inoculated my family and me with Moderna vaccines. We all had only one mild case of COVID. My dentist for over 20 years, Dr. V, has had the same staff for years. He has delayed knee surgery so his staff will not have to go on unemployment while he recovers. Everyone on the staff has been my friend, and they have saved my teeth!

In my daily prayers now, I am able to ask our Lord to bless and heal all my doctors and nurses and their medical staffs named in this little story. They and many more have all been my "helpers!"

THE END

Pro-Life Information

Urgent Message

Pro-abortion radicals are fighting to cement the so-called “right” to abortion into FEDERAL LAW. This law would strike down every single state-based protection for unborn children!

The abortion lobby allies in D.C are trying to go around the Supreme Court and create a new “right” to abortion in federal law. In fact, the pro-abortion extremists in D.C are fighting tooth-and-nail to pass federal legislation repealing pro-life protections and expanding abortion-on-demand in all 50 states! They have said that blocking pro-life action in the states and cementing the so-called “right” to abortion in federal law are among their top priorities. This is urgent please go to the website and sign the petition against this right away.

To sign the petition go on line www.sbaprolife.org/MJDRO1

Don't stop speaking the truth about abortion. You're saving lives. Every human embryologist in the world knows that the life of a new human being begins at fertilization. It is not just a belief it is a scientific fact.

Mater Dolorosa Men's Retreat

“The Crucified One Lives! Finding Comfort in the Passion of Christ”

St. Irenaeus Retreat Dates: January 26 – 28, 2024

The Passion of Christ and the sufferings of the members of His Body, the Church, form one mystery. This retreat will provide the opportunity to gain a deeper awareness and understanding of this mystery: The Passion of Christ and the sufferings of his Body - member for member - are one. In the spirit of the Passionists we will consider ways in which we might find comfort in the Passion of Christ. Doing so brings us into closer union with God, invites us to a deeper knowledge of ourselves, and impels us to respond to the needs of others, especially those who are poor, suffering, or wounded in any way.

The Center provides a private room and bath, delicious meals, beautifully landscaped grounds, and the guidance of the Passionist Retreat Team. The atmosphere of this silent, preached retreat will lay paths for this exploration. Mater Dolorosa Passionist Retreat Center invites the men of this parish to join on this epic adventure to the interior of our souls.
